In order to compete in the state FFA Safe Tractor Driving Competition, each participant must have a **minimum of 10 hours of total driving experience** in operating tractors, skid steers or skidders. This experience must be verified by a parent, an employer or instructor (supervisor signature). <u>Each student must submit his/her completed log to FFA Chapter Advisor</u>. A completed driving log for each contestant is due at the registration deadline for the state FFA Convention.

Equipment Driving Log

Student Name				
School	Student Telephone #
