Maine Public Preschool Monitoring Report

This report is the result of the monitoring visit to the public preschool program(s) named above. The information set forth is directly aligned with Maine Department of Education (DOE) Chapter 124: Basic Approval Standards: Public Preschool Programs. School Administrative Unit (SAU) preschool program(s) either *Meet* or *Do Not Meet* each indicator of compliance.

Each section of the monitoring report contains the following:

Strengths:

Specific strategies, interactions, and documents that were observed during the monitoring visit that exceed Chapter 124 standards.

Recommendations:

Maine DOE suggestions, based on the observation and debrief, for improving the quality of the program.

Findings:

Actual events/evidence that were observed/not observed that are not in compliance with Chapter 124. Information included in *Findings* will need a response from the district administration within 30 days of the receipt of the report and may require an additional monitoring visit to observe or obtain evidence of compliance. Updates on *Findings* will need to be addressed in the Maine Public Preschool Annual Report, completed by the district at the end of the school year.
