Financial Information

If you have questions, please contact a member of the [Child Nutrition staff](#).

Financial information is available for all child nutrition programs including income guidelines, reimbursement rates and expenses. In addition, the USDA and the Maine Department of Education provide guidance to help school districts submit and review reports that participate in the National School Lunch Program.

- [Catalog of Federal Domestic Assistance \(CFDA\) Numbers](#)
- [Federal Meal Reimbursement Rates and Eligibility Guidelines](#) - Current and previous years reimbursement rates, eligibility guidelines, and USDA food rates as well as the Catalog of Federal Domestic Assistance.
- [Food Service Management Companies](#) - Samples of food service management contract as well as state and federal regulations pertaining to food service management companies in the school meals programs.
- [MealPerWorkerHourTool](#) - Labor and staffing spreadsheet used during a review for labor evaluation. It is a guidance document and should be done regularly to determine an adequate MPWH for each kitchen.
- [Student and Adult Pricing and Charging](#) - Information and guidance for student and adult pricing, bad debt, unallowable costs, and the most recent meal prices for districts across the state.
- [Summer Food Service Program Reimbursement Rates](#)
