(a.) Indicate any changes to your **Approved Initial application self- evaluation process.**

NO CHANGE CHANGE

Describe CHANGE here:

(b.) Provide a detailed description of the results/effectiveness of the annual program self-evaluation in the academic areas and in the arts regardless of whether or not there has been a change in the program. *(Note: A summation statement on the effectiveness/success of the district's GT program in the academics as well as the arts will suffice.)*

Georgetown changed leadership at the end of the 2017-8 school year. There is a new principal. Screening did not occur in the 2017-8 school year but did occur in late August 2018. The new principal will participate in program evaluation during the current school year. Based on this statement, the program was not fully effective in the 2017-8 school year. Prior to arrival of the current principal, the school had identified one student through observation who receives services.

(c.) Include how program effectiveness was determined, whether or not there has been a change in the program.

Program effectiveness was determined through conversation with the Gifted Teacher, Megan Fuller, the principal, and Emily Higgins. The change in the program is that the school is now interacting with the district GT teacher and receiving support, information, and materials.

8. Provide a justification/description of the items included in the proposed budget in number 9. *(Please remember that materials/supplies are to be used for gifted and talented only and are not part of the regular education budget. Field trips must take place during the school day and are for identified students only)*

Georgetown plans to meet the needs of the identified student through materials already present at the school. Other costs, NAGC membership and MEGAT, will assist in teacher understanding of giftedness and meeting the needs of gifted learners.
