Attendance – Purpose 20-A M.R.S. §5001-A(7)

Compulsory education is essential to the preservation of the rights and liberties of the people and the continued prosperity of our society and our nation.

Maintaining regular student attendance is necessary to achieve the goal of an educated citizenry. Public schools should ensure the rights of access for all school-age persons to an appropriate educational opportunity and, when necessary, should develop alternatives to regular school curricula for those children and youth at risk of becoming dropouts and those who may have left school.

Attendance - Responsibility

Parent: §5001-A(5)

Adult responsibility. An adult having a person of compulsory school age under that adult's control shall cause the person to attend school as provided in this section.

Administration: §5003

1. School board's responsibility. School boards shall administer this chapter.
2. Rules. School boards shall adopt rules to carry out this chapter and shall file a copy with the commissioner.*
3. Commissioner's responsibility. The commissioner shall guide school boards in adopting these rules.

*see also [§5021. Standards for participation in public schools by students enrolled in equivalent instruction programs](#)

Attendance - Age 20-A M.R.S. §5001-A(1)

Persons 7* years of age or older and under 17 years shall attend a public day school during the time it is in regular session.

*Note: Please be advised that in June of 2019, Governor Mills signed LD 151 into law, **officially lowering the compulsory school attendance age to age 6** (<http://www.mainelegislature.org/legis/bills/getPDF.asp?paper=SP0038&item=5&num=129>), effective September 2019. If a child has already turned 6, parents need to file a Notice of Intent to Provide Home Instruction in September 2019. If a child turns 6 sometime during the upcoming school year (2019-20), parents may file before, but must file a Notice by the student's sixth birthday.

Attendance – Age Eligibility 20-A M.R.S. §5201

A person meeting the minimum age requirements of subsection 2 or section 7001, subsection 1-B, paragraph B, and who has not reached 20 years of age before the start of the school year may enroll as a full-time or, with the consent of the school board, as a part-time student, in the public elementary and secondary schools where the student resides as defined in section 5202. The school year, for the purpose of this subsection, is defined as starting on July 1st and ending on the following June 30th.
2. Minimum ages. The following are minimum ages necessary for student enrollment in a school administrative unit.
 - A. A person who will be at least 5 years old on October 15th of the school year may enroll in school.
 - B. A person who will be at least 4 years of age on October 15th of the school year may enroll in a public preschool program prior to kindergarten if it is offered.

Attendance – Residence Eligibility 20-A M.R.S. §5202

2. General rule. Copies of the information filed under this subparagraph must be maintained by the student's parent or guardian until the home instruction program concludes. The records must be made available to the commissioner upon request.

Improving the Home Instruction Notice Process

What has changed?

- Updated paper form – NOTE*:parents may not be required to use this form; they may choose to use other forms or letters containing the required information.
- Homeschool Portal – used for online entry by parents, SAUs, and MDOE; and for SAU rosters.

What has improved?

- Better record security – provides a secure way to store and access home instruction records.
- Less duplication of effort – eliminates the need for parents to file in two places, and for the SAU and DOE to align records.
- Streamlined process – provides an opportunity to align understanding regarding roles and responsibilities, and to provide new efficiencies.
- Homeschool rostering/reporting – will allow for enhanced reporting precision and capabilities.
- Easier to comply – provides a quicker filing process for parents, and quicker reporting for SAUs.
- Acknowledgment – provides assurance of compliance to parents and alerts the DOE and SAU when a Notice is filed.

Superintendent/SAU/School Board Role

The Home Instruction Statute is very specific, and relates to 2 other Superintendent/SAU/School Board responsibilities:

§5051-A. Truancy

Applies if either First Time Home Instruction or Subsequent Year requirements are not met.

MDOE Rule Chapter 125.12.02. Roster of Resident, Tuition, and Transfer Students

B) The superintendent of each school administrative unit shall maintain a roster of all students eligible to attend school within the unit who are receiving equivalent instruction in an approved or non-approved private school, or in an approved equivalent instruction program.

Superintendent/SAU Implementation

- Per §5024 Develop a written local school unit policy and keep on file;
- Disseminate information to home instruction parents about policy and process and provide technical assistance regarding policy and reporting requirements;
- Collect paper home instruction forms directed to the local SAU, check them for compliance, and communicate noncompliance;
- Share responsibility for submission of collected paper forms into the Home Instruction Portal; maintain a roster, ensure FERPA regulations are met and maintain the security of the Portal;
- Follow up with district parents for whom a home instruction Notice is expected, and begin truancy proceedings for noncompliance;
- Maintain the paper records in files according to local retention schedules.

Parent Paper Form Submission

What is the school year?

The Department defines the school year to be July 1 through June 30, for public and private school, and home instruction. Parents with students in the first year of home instruction will provide a Notice (with assurance) “within 10 calendar days of the beginning of home instruction,” which will be valid through June 30 of the current school year. Subsequent year home instruction parents will be required to provide a Notice and indicate “intent to continue providing home instruction” by September 1 for the school year beginning the July 1 following their first year, and going through the next June 30. With that Notice, subsequent year home instruction parents will enclose the “annual assessment of the student’s academic progress” from the prior year.

Why are there no longer two forms?

Parent indication of First or Subsequent Year of Home Instruction serves the same purpose as separation of forms. Assessment information is required and requested [only] for those who indicate Subsequent Year, along with the statement of intent to continue home instruction. Date Home Instruction Will Begin and First Year Assurance are required only for those who indicate First Year.

Parent Paper Form Submission

Is a parent required to use the MDOE form when submitting manually?

No. Any other method must include all required items.

When is the annual Notice due for the school year?

September 1, or within 10 days of start for first-time home instruction.

What if all the information is not supplied?

Please use the required item list to check submissions. If the parent does not supply the information they are truant.

HOME INSTRUCTION REQUIRED ITEMS LIST
