Please note that the current data provided in these documents are preliminary and subject to change, as enrollment data for some non-public schools was unavailable and/or may be inaccurate at this time. The ESEA Team strongly encourages LEAs confirm enrollment data with their non-public partners during consultation to determine accurate enrollment data. As such, this document will continue to be updated as information is received.

School Setups and Changes

- If there are any changes to the school structures within your district, please be sure to reach out to your ESEA regional program manager.
 - They will assist will verifying information and work with the developers to have your ESEA Consolidated Application updated.
