

MAINE TEACHER OF THE YEAR

What is the Maine Teacher of the Year Program?

The Maine Teacher of the Year (MTOY) program is part of The **National Teacher of the Year** Program, which is the most prestigious teacher recognition program in the country.

Every year, Maine recognizes:

16 County Teachers of the Year

1 Maine Teacher of the Year

Opportunity

Each of the Teachers of the Year (both County and State) serve as an exemplar of the teaching profession and they are provided with opportunities that enable them to advocate for their students, their communities, and topics in education that are important to them.

Network

MTOY creates a network of educators that support one another through professional learning and grassroots efforts that improve education in Maine.

Leadership

MTOY elevates the voices of teachers through leadership and collaborative opportunities.
