# SLIFE Characteristics

# Defining SLIFE

How do you define SLIFE?

# Students With Limited or Interrupted Formal Education (SLIFE) Defined

- A language other than English is spoken at home
- Enter U.S. after grade 2
- Have at least 2 years less schooling
- Are at least 2 years below grade level
- Have gaps in their education

DeCapua, Marshall, & Tang, 2020; Potochnick, 2018.

# What Strengths Do SLIFE Bring?

In the chat, share the strengths that SLIFE learners can bring to school.

# Strengths of SLIFE

- Resiliency
- Problem solving
- Cultural pride
- Strong family ties
- Motivation
- Sense of community
- Funds of Knowledge

Staehr Fenner & Kester, 2017; Moll, Amanti, Neff, & Gonzalez, 1992.

# Common Characteristics of SLIFE

- Over age for grade-level placement
- Limited or no literacy in home language
- Stress, isolation, frustration
- Double challenge of mastering academic and linguistic skills
- At risk for dropping out

DeCapua, Marshall, & Tang, 2020; Custodio & O'Loughlin, 2017

# Possible Social-Emotional Needs

- Poverty, health
- Stress, frustration, depression, grief
- Post-traumatic stress disorder (PTSD)
- Family separation or reunification
- Immigration status
- Change in family roles

Custodio & O'Loughlin, 2017; DeCapua & Marshall, & Tang, 2020

# Situations and Conditions Contributing to SLIFE

- Access to education
- Education system
- Violence or civil unrest
- Gender
- Poverty
- Mobility

Custodio & O'Loughlin, 2017

# Discussion Questions

In breakout rooms,

- Reflect on your classroom, school, or district
- Discuss the questions on the right

**Teachers:** How do the **state demographics** match the demographics of your classroom? How does understanding of **SLIFE characteristics** impact how you think about your students when planning?

**Administrators:** How do the **state demographics** match the demographics of your school or district? How does understanding of **SLIFE characteristics** impact your school or district?

**Counselors:** How do the **state demographics** match the demographics of your community? How does understanding of **SLIFE characteristics** impact the community resources you utilize to support your school community?

# Discussion Questions (Document 3)

You will have **10 minutes** in breakout rooms:

- Find the slide for your group.
- Select one person to be the reporter and one person to be the recorder. The recorder can share their screen.
- Use the guiding questions to discuss SLIFE in your class, school, or district.
- As a group, complete the table.

**Explore Strategies and Tools for Creating a Culturally Responsive School Climate for SLIFE**

# Culturally Responsive Teaching and SLIFE

# Reflection on Culture

- How do you define culture?
- Why is an understanding of students' cultures important for the work you do with SLIFE?

# What is Culture

“A system of shared beliefs, values, customs, behaviors, and artifacts that the members of society use to interact with their world and with one another.”

Zion & Kozleski, 2005, p. 3

# Understanding Culture

- Complex & dynamic
- Everyone a member
- Great variability within groups

# 3 Different Levels of Culture

**Surface Culture**  
Low emotional impact

**Shallow Culture**  
High emotional impact

**Deep Culture**  
Intense emotional impact

# Why Culture Matters in Teaching and Learning

## Impact on Students

- Ways of communicating
- Classroom behavior
- Understanding of role of teacher

## Impact on Teachers

- Ways of communicating
- Expectations for students
- Classroom management

# Cultural Responsiveness and the Brain

- Seeks to **minimize social threats**
- **Positive relationships** keep safety-threat detection system in check
- Culture guides how we **process** information
- **Attention** drives learning
- New information coupled with existing **funds of knowledge**
- Grows through **challenge** & **stretch**

Hammond, 2015

# Cultural Dissonance

- Feeling of disorientation and alienation
- Will show up in the ways that SLIFE...
  - Understand and think about the world around them
  - Learn
  - Communicate
  - Gain and transmit knowledge and information

DeCapua & Marshall, & Tang, 2020

# Individualism & Collectivism

## Individualist Cultures

Hammond, 2015

## Collectivist Cultures

# Individualist and Collectivist Cultures

## Individualist Cultures

- Emphasizes independence and self-reliance
- Prioritizes personal goals
- Learning through individual study
- Individual contributions and status are prioritized
- Task orientation
- Purpose of education is learning how to learn
- Transgression of norms leads to guilty feelings

## Collectivist Cultures

- Emphasizes interdependence and cooperation
- Prioritizes group goals
- Learning through group work
- Group dynamics are prioritized
- Social orientation
- Purpose of education is learning how to do
- Transgression of norms leads to shameful feelings

Snyder & Staehr Fenner, 2021, p. 57; Hofstede, 2003, 2011; Hammond, 2015.

# Implications for SLIFE

- May tend to work better in groups
- Conversational interaction first priority
- Be specific about individual responsibility

# 5 Guiding Principles of Culturally Responsive Teaching

## Culturally responsive teaching ...

**#1**  
Is  
assets-based

**#2**  
Simultaneously  
supports and  
challenges students

**#3**  
Places students at the  
center of learning

**#4**  
Leverages students'  
linguistic and cultural  
backgrounds

**#5**  
Unites students'  
schools, families, and  
communities

Snyder & Staehr Fenner, 2021

# Guiding Principle #1: Assets-Based

- **Uses** strengths-based approach
- **Honors** students' backgrounds and home language
- **Recognizes** varied forms family engagement can take
- **Shifts** deficit perspectives to assets-based

González, 2005; Valencia, 1997; Valenzuela, 1999; Snyder & Staehr Fenner, 2021

# Guiding Principle #2: Simultaneously Supports and Challenges Students

- **Access** to content and programs
- **Support** for acquiring language and accessing content
- **Challenge** to think critically and build cross-curricular connections

Snyder & Staehr Fenner, 2021

# Guiding Principle #3: Places Students At The Center of Learning

- Instructional approach
- Students shape content, instructional activities, materials, assessments, and pace

Snyder & Staehr Fenner, 2021

# Guiding Principle #4: Leverages Students' Linguistic and Cultural Backgrounds

- **Build** on students' backgrounds
- **Feel** understood and valued
- **Share** diverse perspective

Snyder & Staehr Fenner, 2021

# Guiding Principle #5: Unite Students' Schools, Families, and Communities

- **Create** a welcoming environment for ML families
- **Build** relationships with ML families
- **Communicate** effectively with ML families
- **Overcome** barriers to ML family engagement
- **Empower** ML families

Snyder & Staehr Fenner, 2021

# Culturally Responsive Teaching and SLIFE

POLL: Which **guiding principle** stands out to you in its relevance to **SLIFE**?

CHAT: How do you think that **guiding principle** would support **SLIFE**?

**#1**  
Is  
assets-based

**#2**  
Simultaneously  
supports and  
challenges students

**#3**  
Places students at  
the center of  
learning

**#4**

# Social Emotional Learning and SLIFE

# What Is Social Emotional Learning (SEL)?

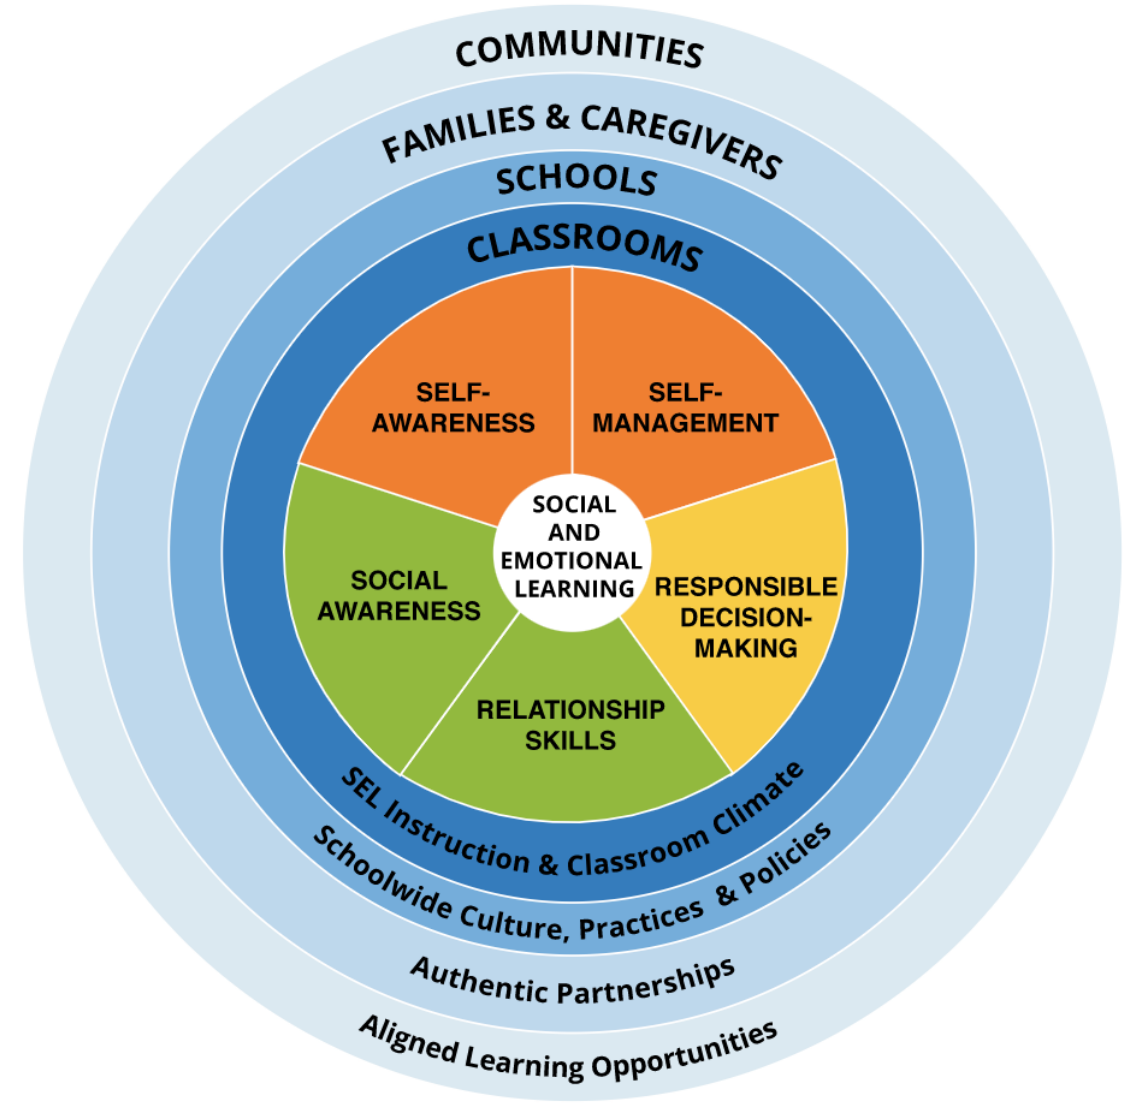

The process through which all young people and adults acquire and apply the knowledge, skills, and attitudes to:

- Develop healthy **identities**
- Manage **emotions**
- Achieve personal and collective **goals**
- Feel and show **empathy** for others
- Establish and maintain supportive **relationships**
- Make responsible and caring **decisions**

# SEL Framework for MLs Structure

- CASEL SEL Competency description
- ML Consideration to Support Equity
- Suggested Educator Actions to Support Equity for MLs

## Competency 1: Self-Awareness

**CASEL definition:** The abilities to understand one's own emotions, thoughts, and values and how they influence behavior across contexts.

**ML Consideration to Support Equity in Self-Awareness:** MLs' identities may be rooted in a collectivist culture which places more value on group interdependence rather than the individual. This sense of identity may result in MLs feeling uncomfortable or self-conscious in speaking about their strengths or using language of self-awareness.

Educator Actions to Support Equity for MLs in Self-Awareness	Present	Not Present	Steps I can take to support this action in my context:
1a. Validate students' cultures and linguistic assets.			
1b. Teach, support, and practice MLs' use of language of self-awareness.			
1c. Model the language of positive self-talk and a growth mindset.			
1d. Create scaffolded lessons and/or learning opportunities throughout the school day that help students identify, build on, and demonstrate strengths.

# SEL for MLs Framework

CASEL SEL Competency	Brief ML Consideration to Support Equity
 1. Self-Awareness	Collectivist culture
 2. Self-Management	Social norms
 3. Social Awareness	Empathy and perspectives
 4. Relationship Skills	Unique communication patterns
 5. Responsible Decision-Making	Inequity and trauma

Teich & Staehr Fenner, 2021

# Poll: 5 SEL Competencies

Which of the **5 SEL Competencies** do you feel is the **highest priority** for **SLIFE**?

- A. Self-awareness
- B. Self-management
- C. Social awareness
- D. Relationship skills
- E. Responsible decision-making

# 3 Strategies to Support SEL for SLIFE

1. Build relationships\*
2. Directly teach SEL skills\*
3. Integrate SEL with academic content\*

\*Within a culturally responsive context

# 1. Build Relationships

## Strategy: Identity Portraits

Shana V. White <https://www.edutopia.org/video/exploring-perceptions-about-identity-through-self-portraits>

## 2. Directly Teach SEL Skills Strategy: “Data Day”/“Den Day”

DATA DAY/DEN DAY Reflection Sheet

Period 2			
Period 3			
Period 4			
Period 5			
Period 6			
Period 7			

### What is Data Day?

Data day is a time for students to review current grades and identify any missing assignments via the studentvue calendar feature

### What is Den Day?

Den day is a time to create a plan to improve grades in specific classes, create a timeline to follow up with teachers via email and check and connect on Monday.

### 3. Integrate SEL with Academic Content: Curriculum as a Mirror & a Window

- “Mirror books reflect your own personal identity.”
- “Window books show human experiences different from your own. They help strengthen your sense of empathy. They help you see things from another perspective and learn more about the world.”

Reyes, n.d., 22 in Snyder & Staehr Fenner, 2021, p. 209

# How Can You Integrate SEL for SLIFE?

In the chat, share a way that you can:

1. Build relationships with SLIFE
2. Directly teach SEL skills to SLIFE
3. Integrate SEL with academic content for SLIFE

A young woman with dark, wavy hair, wearing a blue t-shirt and a black watch, stands in a classroom holding a gold tablet. She is smiling at the camera. In the background, several children are seated at white desks, and a large bulletin board with various colorful papers is visible on the blue wall.

What Educators Say About a Student	What They May Mean	What They May Accomplish by Saying This
1. To an ESOL teacher: "Your student isn't doing very well in my class."	That student is the ESOL teacher's responsibility only.	The educator may remove responsibility from her- or himself for meeting the needs of the student.
2. "His name was too difficult to pronounce, so I gave him an American nickname."		
3. "Her parents don't seem to care how well she does in school."		
4. "The assignment that I gave to the class is just too hard for him."		
5. "She doesn't want to fit in with the American students."
