

How Does The Maine School Bus Purchase Program Work?

August 29, 2016

Learning Objectives

1. Explain the Maine school bus purchase program
 - What does the program data look like?
 - How are districts put on a list to be considered for a bus purchase?
 - How are bus approval decisions made?

This program supports the Maine DOE Strategic Plan core priority 5: coordinated and effective state support.

Maine School Bus Purchase Program

Program Purpose

- The purpose of the Maine School Bus Purchase Program is to achieve the most equitable distribution of limited dollars to maintain a modern safe fleet of school buses and respond to unique and emergency bus needs

Note: Districts are responsible for school bus maintenance.

Program Data – Applications and Approvals

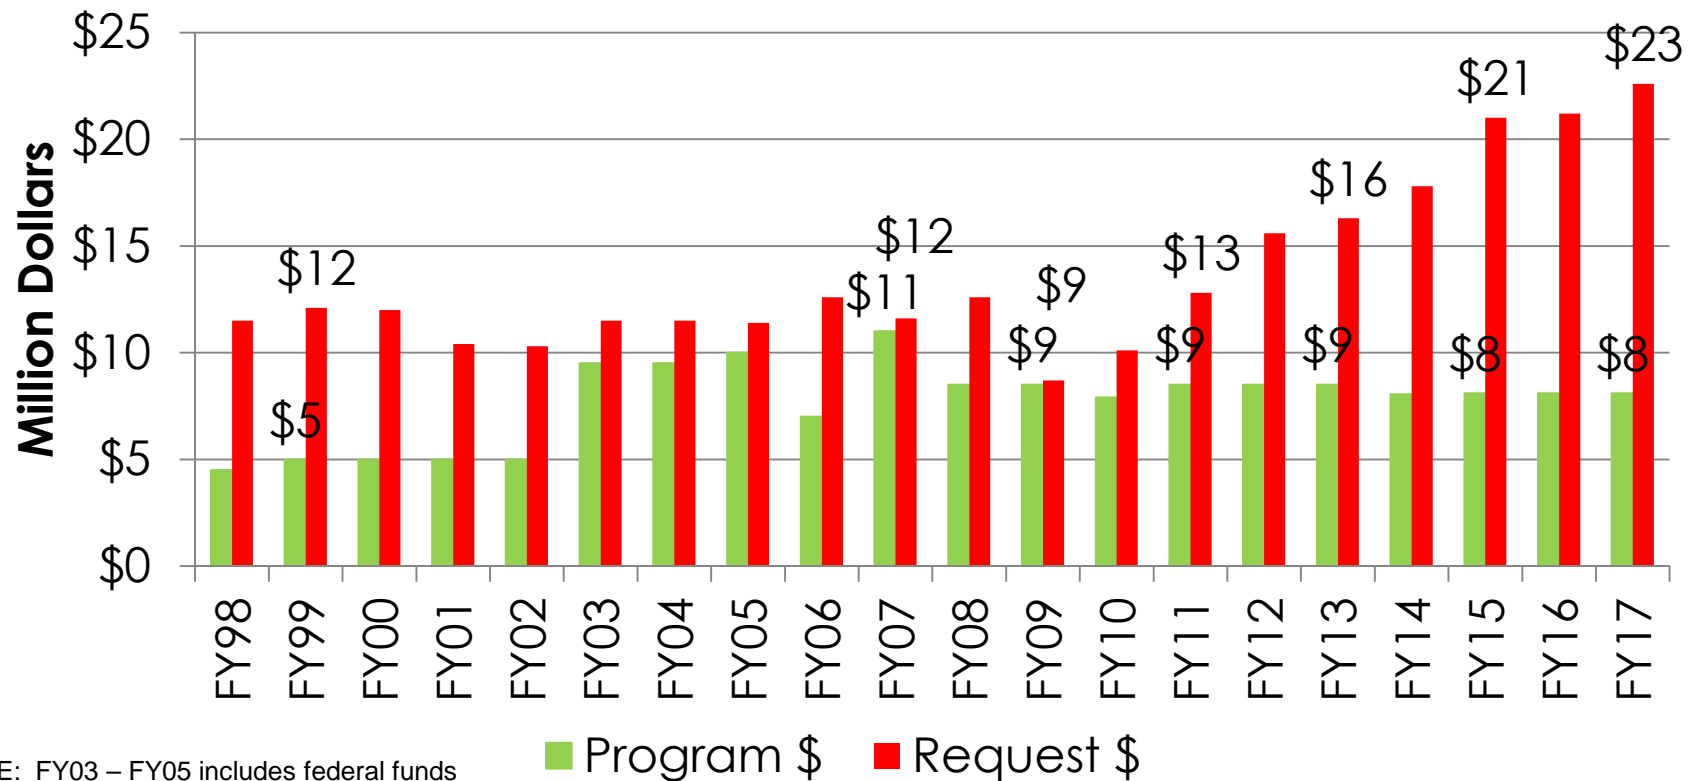

Note: FY03-FY05 includes federal funds

How Are Bus Approval Decisions Made?

– First (1st) Priority

- “Bus Replacement”
 - Emergency situation
 - An emergency situation occurs when a bus is damaged beyond economic repair due to:
 - accidents
 - fire
 - vandalism or
 - other [total] losses

How Are Bus Approval Decisions Made?

– Second (2nd) Priority

- “Addition to Fleet”
 - Unique situation
 - An “addition to fleet” situation occurs when a district needs buses to:
 - Transport handicapped students
 - Transport for a special purpose
 - Transport increased enrollment students
 - Replace contracted services (emergency)
 - Replace contracted services (planned)

How Are Bus Approval Decisions Made?

– Third (3rd) Priority

- “Bus Replacement”
 - Age of the retiring bus
 - “Age as the primary consideration, tempered by both high and low mileage”

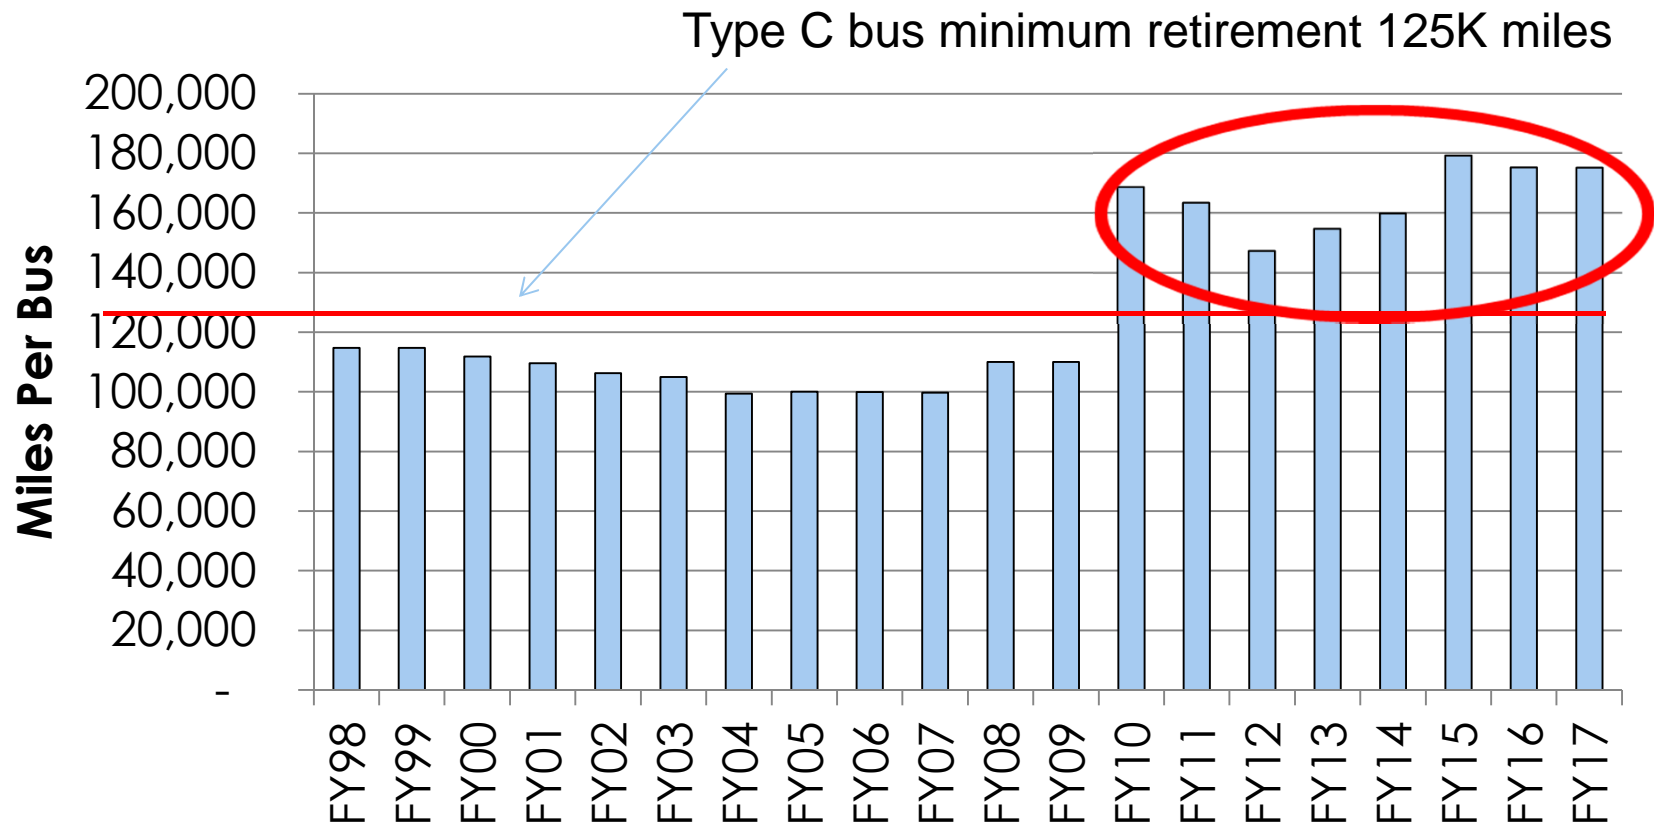

Program Data – Age Range of Approved Buses*

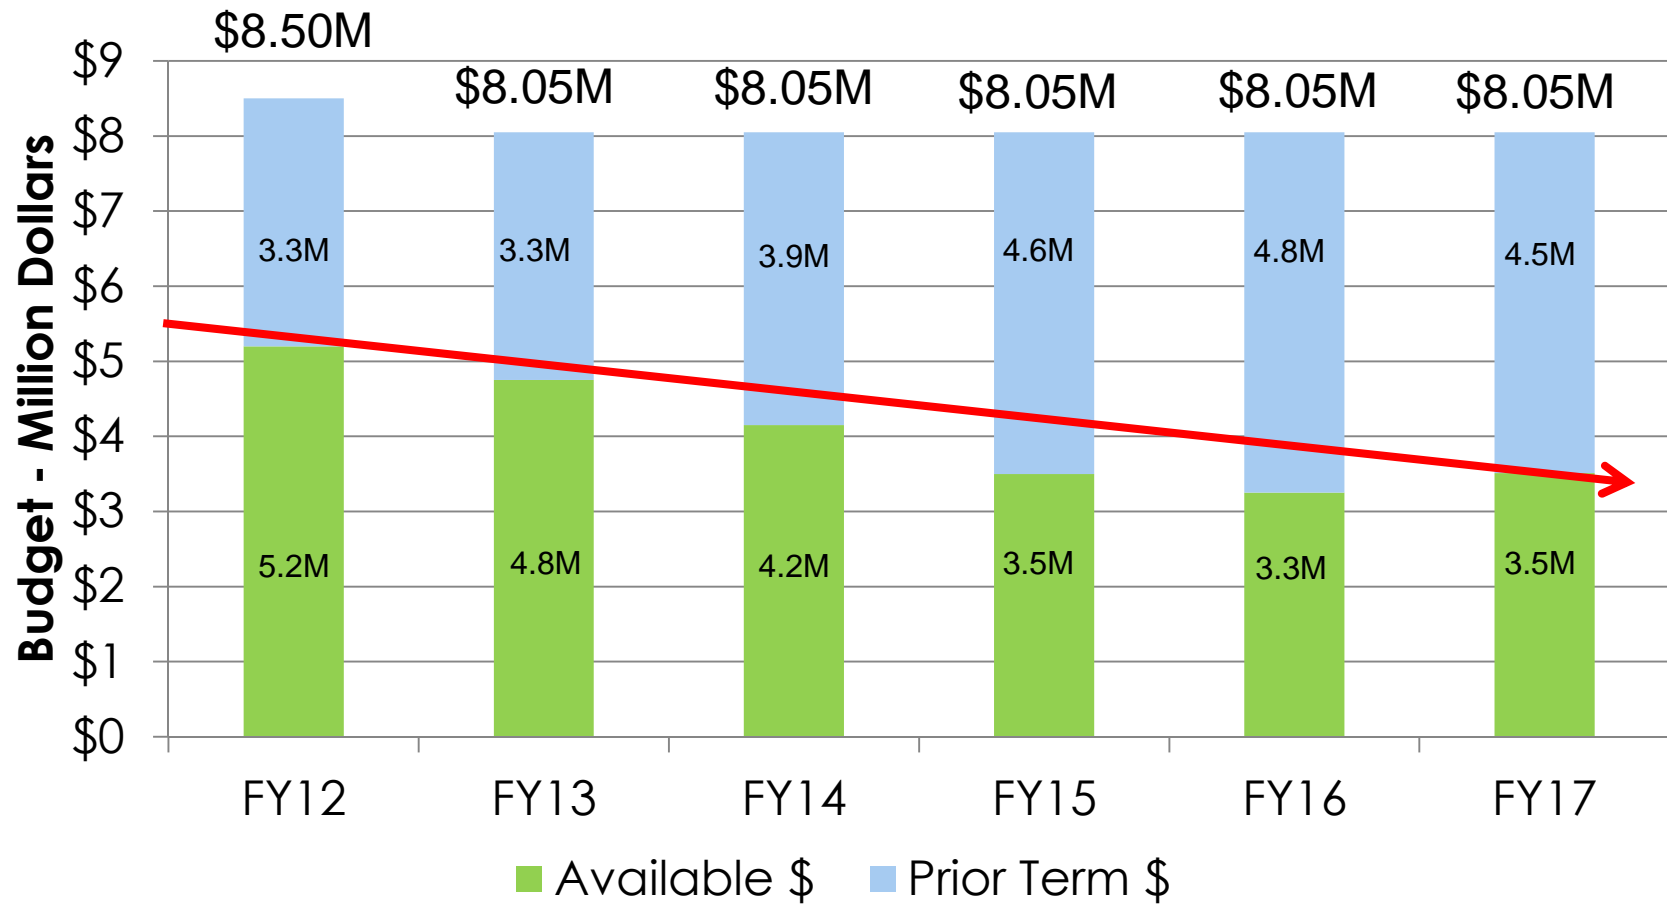

* Round 1; excludes unique and emergency requests

Program Data

– Average Miles When School Bus Is Retired

Program Data – Budget

Program Application Rounds

- Round 1
 - Occurs annually
 - Applications opens Nov. 1 and closes Nov. 25
 - Approvals announced Dec. 30 to Jan. 15
- Round 2
 - Depends on cancellations, may **or** may **not** occur
 - Opens after Round 1 approval announcement
 - All applications that did not make Round 1 approval are automatically moved to Round 2
 - No specific approval date (March to Oct.)

Program Subsidy Reminder

- Subsidy Amount
 - ED 279 report, section 3 A, other allocations
 - Contact Maine DOE school finance
- Delayed district reports effect subsidy (ED 279)
 - Bus **cancellation** report (EF-T-19)
 - Delayed cancellation reports prevent redistribution of bus money to other districts
 - Bus **purchase** report (EF-T-20)
 - Delayed reports lead to withheld subsidy
- Timely transportation reports are important

Program Subsidy Reminder (cont.)

- Statutory Authority
 - “Authority to withhold state subsidy until reports are received. Notwithstanding any other provisions of law, if a school administrative unit has failed to file the reports by this Title in the format and within the time periods specified, the Commissioner may withhold state subsidy payments until these reports are received.”

Abstract

Safety is priority one when transporting students. This clinic will focus on the Maine School Bus Purchase Program that is designed to help school districts replace the aging fleet. Participants will learn the program purpose, qualifications, and process while exploring how buses are put on the list and how decisions are made. This clinic will include historic data on program funding, applications, and approvals.
