

Proposed Carl D. Perkins 1S1 Secondary Performance Indicator Definition.

PI:	1S1 Four-Year Graduation Rate
Perkins:	The percentage of CTE concentrators who graduate high school, as measured by the four-year adjusted cohort graduation rate (defined in section 8101 of the Elementary and Secondary Education Act of 1965).
Formula:	$\frac{[\# \text{ of CTE four-year adjusted cohort graduated concentrators}]}{([\# \text{ of CTE four-year adjusted cohort graduated concentrators} (+) \# \text{ of four-year adjusted cohort non-graduated concentrators}]}$
Example:	$50/(75+25)=$ $50/(100)=$ 50%
