Gifted and Talented

GT art students use different materials in a small group art class that is separate from the general art class instruction and activities.

GT science students need coding supplies to allow them to extend their learning opportunities.

All field trips are for GT students only and take place during the school day.

9. For those school units requesting approval of *allowable program costs* for State subsidy, please complete the following budget information. Amounts budgeted for the SAUs Gifted and Talented Program must be reported in the NEO (New Educational Onotology) financial system as part of the Annual Budget Reporting.

NOTE: To be approved as an allowable cost for the current school year, all personnel listed below must be appropriately certified/endorsed by the application deadline of September 30.
