Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district (Use as much space as necessary):

The employee who had implemented the program in previous years has retired. Neighboring towns either have only a part-time program (Eastport) or share an employee (Pembroke and Lubec). Alexander school department (also in the district) has a waiver. Given the small schools, lateness of getting the Perry School Budget approved (September 14), and the dearth of certified candidates to implement the program, Perry requests a one year waiver.

In order to best address the needs of the student population, teachers will incorporate classroom instructional strategies to better differentiate for GT students.
