# Professional Standards

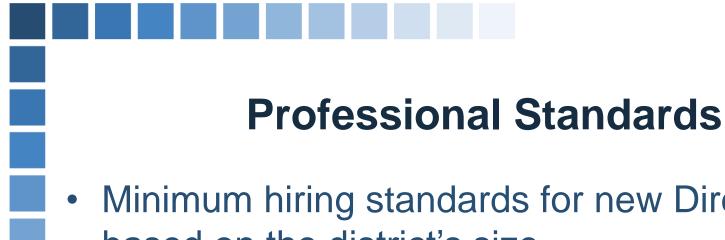

Maine Department of Education Child Nutrition Programs

#### **Professional Standards**

 USDA established minimum professional standard requirements for school nutrition professionals who manage and operate the National School Lunch and School Breakfast Programs

- Minimum hiring standards for new Directors based on the district's size
- Required minimum annual training for all school nutrition professionals in current year

# **Food Service Directors (FSD)**

- Hiring standards are based on 3 LEA size categories:
  - -2,499 or less student enrollment
  - -2,500-9,999 student enrollment
  - 10,000 or more student enrollment

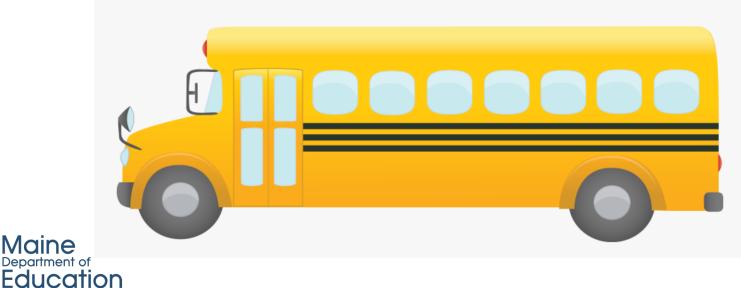

#### **Current Food Service Directors**

- Directors who were hired before the effective date (July-1-2015) are exempt from the hiring standards
- A current director who moves to a different district within the same size bracket will not be required to meet the hiring criteria, however if moving to a higher bracket the new requirements must be met

# **Hiring Standards Based on District Size**

# **FSD Hiring Standards**

- For small LEAs (≤2,499 students):
  - Bachelor's degree with specific major:

food and nutrition, food service management, dietetics, family and consumer sciences, nutrition education, culinary arts, business, or a related field. OR

- Bachelor's degree with any academic major, and a State-recognized certificate, OR
- Associate's degree with specific major and at least 1 year of experience, OR
- High school diploma (or GED) and 3 years of experience

#### **FSD Hiring standards**

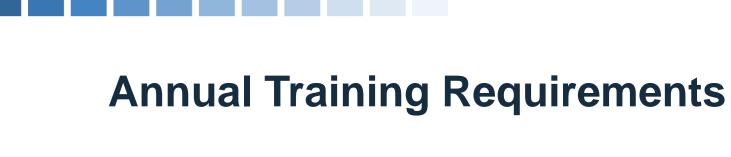

- Districts Smaller than 500:
  - The law provides State discretion on education requirements
  - Districts need to contact the Maine Department of Education Child Nutrition for approval

#### **FSD Hiring Standards**

- For mid-size LEAs (2,500 -9,999 students):
  - Bachelor's degree with specific major, OR
  - Bachelor's degree with any academic major, and a State-recognized certificate; OR
  - Bachelor's degree with any academic major and at least 2 years of experience, OR
  - Associate's degree with specific major and at least 1 year of experience

- Food Service Director:
  - 12 hours/year
  - 8 hours food safety training within the last 5 years before hire OR completed within 30 days of start date
  - 8 hours food safety training every 5 years

- Food Service Manager
