Please completely describe the basis for the SAU's one-year waiver request and further describe how the SAU is meeting the needs of the gifted and talented population in your district (Use as much space as necessary):

RSU 80 / MSAD #4 is requesting a full waiver of the Gifted and Talented programming for the 2018-2019 school year due to lack of staff and funds.

Even though we have are not able to get our ideas and goals to an "approved plan," we have still been serving students who are gifted and talented with other means.

Based on testing, we serve these students within the regular classrooms via accelerated or condensed curriculum.

We would like to be able to implement this plan but funds and staff prevent us from doing so.
