BOOM! BANG!

Boom, bang, boom, bang!

Rumpety, lumpety, bump!

Zoom, zam, zoom, zam!

Clippety, clappety, clump!

Rustles and bustles

And swishes and zings;

What wonderful noises

A thunderstorm brings!

CLOUD

What's fluffy, white, and floats up high,

Like a pile of cotton in the sky?

And when the wind blows hard and strong,

What very gently soars along?

What brings the rain?

What brings the snow

That showers down on us below?

When you look up in the high blue sky

What is that thing you see float by?

MY BIG BALLOON

I can make a big balloon.

Watch me while I blow.

Small at first, then bigger,

Watch it grow and grow.

Do you think it's big enough?

Maybe I should stop.

For if I blow much longer,

My balloon will surely pop!

RAINDROPS

Raindrops, raindrops
Falling all around!
Pitter-patter on the rooftops
Here is my umbrella
It will keep me dry!
When I go walking in the rain,
I hold it up so high.
Pitter-patter, raindrops
Falling from the sky!
Here is my umbrella
To keep me safe and dry
When the rain is over
And the sun begins to glow,
Little flowers start to bud
And grow and grow and grow!
