School Revolving Renovation Fund

The Department is accepting SRRF applications for Priority One and Priority Two projects through September 30, 2019. Priority One SRRF projects include structural roof repairs, Americans with Disabilities Act compliance upgrades, indoor air quality improvements, hazardous material abatement or removal, and other health, safety and compliance renovations. Priority Two SRRF projects include school building structures, windows and doors, and water and septic systems. Applications and additional information are available here:

<https://www.maine.gov/doe/schools/facilities/srrf>

Leased Space

Applications for instructional leased space for FY' 20 are available on the School Facilities website: <https://www.maine.gov/doe/schools/facilities/lsp>. The submission deadline is September 16, 2019.

Facilities

LD 153 An Act to Strengthen Testing for Lead in School Drinking Water was signed by Governor Mills on May 28, 2019. The Department of Health and Human Services will provisionally adopt rules to implement the lead testing requirements under the Maine Revised Statutes, Title 22, section 2604-B and submit them to the Legislature for review by January 10, 2020. A copy of the law is available at this link: http://www.mainelegislature.org/legis/bills/display_ps.asp?id=153&PID=1456&snum=129
