

State FFA Agricultural Sales Career Development Event

The model agricultural sales event will consist of three parts: an objective test, oral sales presentation, and mock job interview. The event will be a team event consisting of four students. All team members will participate in the test and sales presentation and job interview components of the event. The event will consist of 175 total possible points per team member (test - 50 points, sales presentation - 100 points, and job interview - 25 points) for a total team score of 700 points, with all FOUR scores counted.

Should a tie occur in the individual or team scores, the tie will be broken by the highest sales presentation score. If the tie cannot be broken using the sales presentation score, the highest written score will be used. If a tie still exists, the highest job interview score will be used to break the tie.
