

CTE Middle School Experiences

- **CTE camp experience** – students attend for up to a week (more than 2 days) – students attend for most of the day and curriculum is offered at the CTE school, camp is offered during times when CTE school is closed. (Lewiston)
- **CTE during school camp experience** – offered during CTE school day – utilizes CTE students for delivering instruction, middle school and secondary students attend together, more than 2 days. (Region 11)
- **Traveling CTE experience** – CTE teacher/middle school CTE coordinator goes from school to school offering CTE experience – students would experience CTE on a rotating basis with other middle schools in catchment area. Lab may be mobile or labs stationary at the middle school. (UTC)
- **MS CTE offered at the CTE school** – students attend for an extended period – two weeks to full year – students rotate through several programs. (Dexter, Frenchville)
- **CTE instruction offered at the middle school** – instruction is taught during one section of the school day and students cycle through CTE either by a selection or a requirement – usually a full quarter. The instruction may be offered by CTE or middle school staff. (RSU 19, Bath)
- **CTE after school program** – MS students attend the CTE school after the middle school has adjourned or shortly before – students may rotate through more than one program – experience lasts several weeks; 1-2 times per week (Region 9)
- **Mentorship with staff students and industry**-most students attend programs for multiple day exposure and in select program for mentorship. Mentorship may be with secondary student, teacher or business. (Waterville)
- **MS-CTE Remote/virtual teaching** -offered by CTE school on career exploration and exposure (Sanford)
