BIDDING INSTRUCTIONS

1. Use pen and ink to complete all paper Bids. Signatures shall be original. Stamped and copied signatures will not be accepted. Bids are not accepted by email or FAX.
2. As a minimum, the following should be received prior to the time of Bid opening:

For a Paper Bid:

- a) a copy of the Notice to Contractors, b) the completed Acknowledgement of Bid Amendments form, c) the completed Schedule of Items, d) two copies of the completed and signed Contract Agreement, Offer & Award form, e) the completed Contractor Information Sheet, and f) any other certifications or Bid requirements listed in the Bid Documents as due by Bid opening.

For an Electronic Bid:

NOTE: Not all projects accept Electronic Bids. Please review the Notice to Contractors and see if it specifically states that Electronic Bids will be accepted.

- a) a completed Bid using Expedite® software and submitted via the Bid Express™ web-based service, and b) any other Certifications or Bid requirements listed in the Bid Documents as due by Bid opening.

3. Include prices for all items in the Schedule of Items.
4. All Bid Packages which are mailed or sent express, shall be provided in double (one envelope inside the other) envelopes, for security and other reasons. The *Inner Envelope* shall have the following information provided on it:

Bid Enclosed - Do Not Open

If a paper Bid is to be sent express, please take note that overnight services do not always arrive in time and that delivery may be affected by carrier volume, weather and other factors. Packages using express services should be sent directly to the DOT Headquarters Building, Maine Department of Transportation, 24 Child Street, Augusta. "FedEx First Overnight" delivery is suggested as the package is delivered directly to the DOT Headquarters Building, Mailroom, 24 Child Street, Augusta. Allow extra days for U.S. Postal Service Express Mail which has proven not to be reliable and sometimes does not deliver directly to the DOT Headquarters Building but instead delivers to the State of Maine Mail Distribution Center.

If a paper bid is to be mailed, the mailing address is Maine Department of Transportation, 16 State House Station, Augusta, ME 04333-0016. Allow additional working days for this mail to pass through the state mail system in addition to the US Postal Service as this mail is not delivered directly to the Department of Transportation.

If a paper Bid is to be hand carried, deliver directly to the “Public Entrance” which is located on the Capitol Street side of the DOT Headquarters Building in Augusta. <http://www.maine.gov/mdot/contact>. Hand-carried Bids may be in one envelope, and should be marked with the following information:

Bid Enclosed: Do Not Open

WIN/Title: 021162.24W, 021162.25W, 021162.26W, Loader Compact Track Loader

Location: Region 1

Date of Bid Opening:

Name of Contractor:

If you need further information regarding Bid preparation, call the DOT Contracts Section at (207) 624-3410.

For complete bidding requirements, refer to Section 102 of the Maine Department of Transportation, Standard Specifications, March 2020 Edition.

NOTICE

The Maine Department of Transportation is attempting to improve the way Bid Amendments/Addendums are handled, and allow for an electronic downloading of bid packages from our website, while continuing to maintain an optional plan holders list.

Prospective bidders, subcontractors or suppliers who wish to download a copy of the bid package and receive a courtesy notification of project specific bid amendments must fill out the on-line plan holder registration form and provide an email address to the MDOT Contracts mailbox at: MDOT.contracts@maine.gov. Each bid package will require a separate request.

Additionally, interested parties will be responsible for reviewing and retrieving the Bid Amendments from our web site, and acknowledging receipt and incorporating those Bid Amendments in their bids using the Acknowledgement of Bid Amendment Form.

The downloading of bid packages from the MDOT website is not the same as providing an electronic bid to the Department. Electronic bids must be submitted via <http://www.BIDX.com>. For information on electronic bidding contact Rebecca Snowden at rebecca.snowden@maine.gov or Guy Berthiaume at guy.berthiaume@maine.gov.

NOTICE

Bidders:

Please use the attached “Request for Information” form when submitting questions concerning specific Contracts that have been advertised for Bid, include additional numbered pages as required. RFI’s may be faxed to 207-624-3431, submitted electronically through the Departments web page of advertised projects by selecting the RFI tab on the project details page or via e-mail to RFI-Contracts.MDOT@maine.gov.

NOTICE TO CONTRACTORS - PREFERRED EMPLOYEES

Sec. 1303. Public Works; minimum wage

In the employment of laborers in the construction of public works, including state highways, by the State or by persons contracting for the construction, preference must first be given to citizens of the State who are qualified to perform the work to which the employment relates and, if they can not be obtained in sufficient numbers, then to citizens of the United States. Every contract for public works construction must contain a provision for employing citizens of this State or the United States. The hourly wage and benefit rate paid to laborers employed in the construction of public works, including state highways, may not be less than the fair minimum rate as determined in accordance with section 1308. Any contractor who knowingly and willfully violates this section is subject to a fine of not less than \$250 per employee violation. Each day that any contractor employs a laborer at less than the wage and benefit minimum stipulated in this section constitutes a separate violation of this section. [1997, c. 757, §1 (amd).]

SPECIAL PROVISIONS EQUIPMENT

This Contract is to supply compact track loader for continuing use by the Department as specified in the Bid Documents and is not to be used for on call equipment rental on an as needed basis.

Bidders shall complete and submit technical specification sheets and submit equipment description/specifications.

Schedule The Contactor shall provide equipment without operators continuously in accordance with the dates given in the Schedule of Items.

General This work consists of providing all equipment, preventative maintenance on a scheduled basis when needed.

Service, repairs and scheduled maintenance shall be performed on site. The equipment is expected to be in Region 1.

The Department reserves the right, prior to 72 hours after initial use, to inspect the equipment and reject due to lack of conformance with specifications or condition deficiencies. Condition deficiencies may include, but are not limited to, equipment with excessive wear, broken parts, low hydraulic pressure, below standard operation, equipment that is not OSHA compliant or equipment with leaks that can get to the pavement, ground or into water bodies. In the case of repetitive breakdowns during operation or condition deficiencies, the Contractor will have the option to replace the equipment with another acceptable, equivalent unit.

Except repairs and service caused by the Department's actions, the Contractor shall perform all repairs, service and scheduled maintenance, and all costs for labor, equipment and materials required to perform this work will not be paid for directly and will be considered incidental to the Equipment Rental pay item(s). The Department may have the Contractor repair damage caused by the Department and if so, this work is not to be included in the bid and will be paid for as Extra Work. The Department will determine if the repairs and service caused by the Department's actions will be performed by the Contractor.

The Contractor shall deliver the equipment with a full tank of fuel and the Department will return the equipment with a full tank of fuel. If the Department returns the equipment with less than a full tank of fuel, the Department shall pay the Contractor for the fuel it would take to fill the tank. The price per gallon of off-road fuel will be determined according to the average retail cost per gallon in the project area at the time the equipment is returned.

The Department will provide fuel, oil, grease and coolant. The Department intends to perform daily routine inspections of the general condition of the equipment, check oil levels and the cooling system. If a piece of equipment is unable to run, is unsafe to operate or should not be run as determined by the Department, the Department and the Contractor may agree to a mutually agreeable repair

schedule. For those repairs taking longer than three (3) working days, a replacement piece of equivalent equipment with temporary registration shall be provided, if possible. For each piece of equipment requiring repairs due to normal operation and unable to operate safely more than three (3) working days during the month, the Contractor may furnish a replacement with temporary registration or if a replacement is not furnished, the Department may choose to extend the return date by an equivalent duration or choose to receive a credit. The credit will be deducted from the monthly rental for the number of days, in excess of one, that the equipment was unable or unsafe to operate computed at the Unit Price per month per each given in the Schedule of Items calculated in accordance with section "Measurement and Payment" below.

Insurance The State of Maine, Risk Management Division administers a self-insurance fund which has tort and vehicle liability coverage for leased vehicles it uses written to conform to the Maine Tort Claims Act. The Act specifies that the most a governmental entity can be held liable for is \$400,000 per occurrence. Following submittal of required information, the Department can provide the Contractor with a certificate of insurance from the Risk Management Division. The Contractor can be named as additional insured but only on written request by the Contractor. The Risk Management Division also administers a separate self-insurance fund for vehicle physical damage written on a blanket, actual cash value, annual reporting basis with a per vehicle and per occurrence limit of \$400,000. The Contractor can be named as loss payee if requested in writing. Contractors cannot require insurance different than the coverage specified herein.

Transportation Moving equipment during the rental periods between Department work locations shall be the responsibility of the Department.

The Department has reserved the option to accept or reject the bid price for the transportation by the Contractor. If the Department rejects the bid price for Items 910.30 Special Work, Transportation (Delivery and Pickup), they shall be omitted from the contract in their entirety, the Department will pick up and deliver the equipment and the Contractor will fulfill the contract in accordance with the contract documents. If the Department accepts the bid price, the Contractor shall deliver the equipment at the beginning of each rental period and pick up the equipment at the end of each rental period. Moving equipment during the rental periods between Department work locations shall be the responsibility of the Department.

If the Contractor is to provide transportation, the Contractor shall contact the Region a minimum of two (2) days prior to delivery for delivery coordination. The Contractor shall deliver the equipment only during the following times: Monday through Friday, 7:00 AM through 3:00 PM except deliveries may not be made on government holidays nor government closure days. Delivery to the Regions will not be measured for payment and will be considered incidental to the Equipment Rental pay item(s). Regions will pick up and deliver the equipment unless they choose the optional transportation items.

The Contractor shall deliver the equipment to and pick up the equipment from the MaineDOT facility at 51 Pleasant Hill Road, Scarborough, Maine.

Optional Pay Items Optional Pay Items are those items of Work set forth in the Schedule of Items for which the Contractor must provide a price but which the Department may or may not use. The Department may not use Optional Pay Items or the Department may increase or decrease Pay Item quantities from the estimated quantities shown in the Bid Documents, and such increase or decrease shall not be considered Extra Work. The Contractor shall be paid for actual quantities used and Accepted at the Unit Prices contained in the Contractor's Bid.

Changes The Department may return Equipment early, extend the duration, increase or decrease Pay Item quantities from the estimated quantities shown in the Bid Documents, and such increase or decrease shall not be considered Extra Work. The Contractor shall be paid for actual quantities in place and Accepted at the Unit Prices contained in the Contractor's Bid. The Contractor accepts such payment as full and complete compensation.

If the Contractor is able to furnish equipment meeting the contract specifications for the specified rental period, and the duration for any Item is reduced by the Department from the estimated quantities contained in the Bid Documents by more than 25%, then the Department may increase or decrease the Unit Price of such item using the extra work process. If alternative dates are mutually agreed upon and quantities are not reduced, there will be no change in the Unit Price.

If after award, the Contractor furnishes equipment which does not meet specifications or does not "substantially meet" specifications (as defined in Special Provision 102 & 103 Basis of Award), and it is in the Department's best interest to accept the equipment, the Department may, in its sole discretion, accept the equipment for use under this contract and adjust the Unit Price by 10% or more using the modification process set out in the Standard Specifications.

Measurement and Payment Equipment Rental and required attachments and optional attachments will be measured per machine by the month which shall be payment in full for furnishing equipment and all materials, labor and equipment to satisfactorily perform repairs, service and scheduled maintenance. A month is defined as a time lasting from a date in one calendar month until the same date in the next calendar month. The initial day of the month will be the day of the month on which the Department took possession of each piece equipment and will be considered the billing start date. In the event that the Department has a piece of equipment for a period that cannot be measured in whole months, the portion of the month will be measured in accordance with the table below.

Portion	Measurement	Payment
1 – 7 days	0.25	(0.25)(monthly unit bid price)
8 – 14 days	0.50	(0.50)(monthly unit bid price)
15 – 21 days	0.75	(0.75)(monthly unit bid price)
22 – 31 days	1.0	(1.0)(monthly unit bid price)

If the Contractor delivers a piece of equipment later than the scheduled date, or the equipment is unavailable for Department pickup, the Department at its choice may extend the return date to get the

full period or reduce payment by the time not in possession. If the Contractor fails to pick up a piece of equipment as scheduled, the additional time will not be measured for payment.

The accepted quantities of Item 631.60 Equipment Rental will be paid for at the contract Unit Price per each piece of equipment per month which price shall be full compensation for all labor, equipment, material and incidentals necessary to perform the work in accordance with these specifications. There will be no limit on the quantity of hours and no additional charges due to hours used.

The accepted quantities of Item 910.30 Special Work, Transportation will be paid for at the contract Unit Price per piece of equipment, per delivery, and per piece of equipment per pickup and which price shall be full compensation for all labor, equipment, material and incidentals necessary to move the equipment and all associated attachments and perform the work in accordance with these specifications.

The Department will pay for Extra Work such as service calls, additional attachments, fuel charges, and damage repair by written Contract Modification in accordance with Section 109.7 Equitable Adjustments to Compensation and 109.8 Contract Modification.

Payment will be made under:

<u>Pay Item</u>	<u>Pay Unit</u>
631.60 Equipment Rental (by Month)	Calendar Month
910.30 Special Work, Transportation	EA

SPECIAL PROVISION
SECTIONS 102 BIDDING
& 103 AWARD & CONTRACTING
(Basis of Award)

Bidders are to submit the completed technical specification sheet checklists and vehicle descriptions with their bid.

Bidders are required to bid all required and elective options.

Region	Region/Section Combination	Basis of Award
Region 1 Compact Track Loaders	Sections 1&2	Section 1

The basis for award for Section 1 will be the lowest responsive bid for the equipment and the required options for each Section as determined by the Department.

Elective Options (Section 2) are Items that must be bid on by the bidder, but Section 2 may or may not be awarded based on the bid prices and region needs. Section 2 will not be included in the determination of the lowest bid for the Region/Section combination.

Work will be awarded under these agreements according to the following process: The Apparent Low Bidder for Section 1 will have first option to furnish the equipment. If this Bidder is unable to furnish the equipment, or the equipment does not meet or “substantially meet” specifications, then the Department will contact the Bidder that submitted the next lowest bid to see if that Bidder will furnish all of the equipment for the Section combination and subsequent Bidders in ascending order of the amount of their bids, until a Bidder agrees to furnish the equipment for a Section. “Substantially meet” is defined as having one or more variations from contract specifications which, as determined by the Department, are minor and do not alter the ability of the equipment to perform planned work.

Prior to Award, prior to delivery and/or, if the Contractor swaps out equipment, the Department may inspect the equipment to be furnished to verify it meets specifications.

If any time after award, the Contractor is (1) unable to supply specified equipment, (2) the equipment requires repairs due to normal operations several days a month or (3) is unable to operate safely, the Department may contact the Bidder that submitted the next lowest bid for the particular Equipment to see if that Bidder will furnish the equipment and subsequent Bidders in ascending order of the amount of their bids, until a Bidder agrees to furnish the equipment or the Department may readvertise.

SPECIAL PROVISION
SECTION 108
PAYMENT
(Equipment Invoices and Payments)

Payment Method

The Payment Method is the method of establishing quantities and the amount due for payments needed to correlate with Department's internal financial system requirements for payment processing. Either the Department will estimate the amount of Work performed and make payment based upon such estimates or the Contractor shall submit itemized invoices to the Department. The Department will determine which Payment Method will be used and will notify the Contractor. The Department may change the Payment Method during the Contract.

Department Generated Quantities Payment Method

The Department will estimate the amount of Work performed at contract prices and use these to generate payments.

The Department will pay the Contractor monthly for the previous month and at the completion of the Contract. The Department will estimate the quantities and make payment based upon such estimates and information contained on informational statements provided by the Contractor. Informational statements shall be submitted by the Contractor to the Department's Contract Administrator for administrative and reconciliation purposes. At a minimum, informational statements shall be on a Contractor's letterhead and shall include the following information:

- Contractor name, address & Contract Number
- Informational Statement Date & Number,
- Region & Location of Equipment
- Equipment Description & Serial Number
- Unit cost for each unit at the Unit Prices contained in the Contractor's Bid or as adjusted for a portion of a month in accordance with this contract
- Itemized breakdown for Extra Work such as damage repair or service calls agreed to by written Contract Modification Period during which Work was performed.
- Total amount due.

The Department may request that the Contractor submit backup documentation including copies of receipts, invoices, and itemized payments to Subcontractors.

The Department may withhold or reduce payments claimed by the Contractor on account of:

- Repetitive breakdowns
- Equipment rejected due to condition

- Damage to a third party,
- Claims filed or reasonable evidence indicating probable filing of claims,
- Failure of the Contractor to make payments to Subcontractors or for Materials or labor,
- Regulatory non-compliance or enforcement,
- All other causes that the Department reasonably determines negatively affect the State's interest.

Contractor Submitted Invoice Payment Method

If the Department determines that the Contractor shall submit itemized invoices, then the following provisions apply.

The Contractor shall submit an itemized invoice to the Department for services monthly and at the completion of the Work or as otherwise noted in the Contract documents for approval and payment. The Department will pay the Contractor monthly for the previous month and at the completion of the Contract.

At a minimum, invoices shall be on a Contractor's letterhead and shall include the following information:

- Contractor name, address & Contract Number
- Invoice Date & Number,
- Region & Location of Equipment
- Equipment Description & Serial Number
- Unit cost for each unit at the Unit Prices contained in the Contractor's Bid or as adjusted for a portion of a month in accordance with this contract
- Itemized breakdown for Extra Work such as damage repair or service calls agreed to by written Contract Modification Period during which Work was performed.
- Total amount due.

The Department may request that the Contractor submit backup documentation including copies of receipts, invoices, and itemized payments to Subcontractors.

The Department will make payments based upon approved complete and correct invoices for accepted Work invoiced at bid prices. No such payments will be made if, in the judgment of the Department, the Work is not proceeding in accordance with the provisions of the Contract.

The Department may measure items for verification of quantities in accordance with the "Method of Measurement" provisions of the applicable Specification. Measurement of Bid Items shall include all resources necessary to complete the Pay Item of Work under the Contract. For all items of Work, other than those paid for by lump sum, the Department shall determine the quantities accepted as the basis for Final Payment after the Physical Work is Completed.

If the Department determines the Work substantially conforms to the Contract, the Department may accept the Non-conforming Work and may require a credit to the Department to be deducted from amounts otherwise due the Contractor. If the Department and Contractor cannot agree to the amount of the credit, the work shall be Unacceptable Work.

Payments to the Contractor shall be full compensation for furnishing all labor, equipment, materials, services, and incidentals used to perform all Work under the Contract in a complete and acceptable manner, and for all risk, loss, damage, or expense of any kind arising from the nature or execution of the Work. The Contractor shall pay all taxes, charges, fees, and allowances. Except as expressly provided otherwise in this Contract, all such taxes, charges, fees, and allowances are Incidental to the Contract. Most items are exempt from Maine sales tax. The Contractor shall Bid in accordance with the Maine statutory exemption from sales tax. No payments due the Contractor will be adjusted for inflation. No interest shall be due and payable on any payment due the Contractor. The Department may require that the Contractor submit backup documentation including copies of receipts, invoices, and itemized payments to Subcontractors.

The Department may withhold or reduce payments claimed by the Contractor on account of:

- Repetitive breakdowns
- Equipment rejected due to condition
- Damage to a third party,
- Claims filed or reasonable evidence indicating probable filing of claims,
- Failure of the Contractor to make payments to Subcontractors or for Materials or labor,
- Regulatory non-compliance or enforcement,
- All other causes that the Department reasonably determines negatively affect the State's interest.

SPECIAL PROVISIONS

Compact Track Loader Region 1

Bidders shall complete and submit technical specification sheets and vehicles description/specifications with the bid package.

INSTRUCTIONS FOR COMPLETING TECHNICAL SPECIFICATION SHEET

Complete the checklist for technical specifications set forth below. Bidders shall indicate whether it can meet the technical specifications by inserting an “X”, “N/A”, “DI” or “AE” next to each specification. The “X” will demonstrate that the Bidder’s offering meets the technical specification. If a Bidder cannot meet a technical specification, then the Bidder must give an explanation for each exception and for equipment that is not available or that will be dealer installed. All explanations shall be provided in detail in the margins or on separate pages along with the justification as to why the alternative equipment or deliverables will be as good as the equipment or deliverables described in the detailed specifications for desired items. Bidders shall provide a copy of the specifications for the proposed equipment.

Following these instructions is essential for proper bid evaluation. If a Bidder fails to provide requested information or if information on a quote is found to be false or misleading, the quote may be rejected as unresponsive.

The following abbreviations must be used by interested Bidders:

X	Meeting Specification
N/A	Not Available
DI	Dealer Installed
AE	Approved equal process

SPECIAL PROVISIONS
ADDITIONS AND REVISIONS TO STANDARD SPECIFICATIONS

SPECIAL PROVISION SECTION 101
CONTRACT INTERPRETATION

101.2 Definitions Add the following:

“MaineDOT The Department of Transportation of the State of Maine, as established by 23 MRSA §4205 et seq. for the administration of Highway, Bridge, and other public Works; acting through the Commissioner and his/her duly authorized representatives.”

101.2 Definitions Add the following:

“Contract Agreement form The Contract Agreement, Offer and Award, the Maine Department of Transportation Contract Agreement Transportation Related Maintenance Work, the Maine Department of Transportation Contract Agreement to Purchase Supplies, Materials and/or Equipment for a Specific Project, Contract Agreement to Purchase Materials and/or Equipment for a Project and Related Work, the Maine Department of Transportation Private Equipment Rental Agreement – with an Operator, the Maine Department of Transportation Private Equipment Rental Agreement – without an Operator, or other contract agreement contained in the bid documents.”

SPECIAL PROVISION SECTION 102
BIDDING

102.6 Bid Guaranty Delete the entire section 102.6.

102.7.1 Location and Time Delete the entire section and replace with the following:

“The Bidder must Deliver its Bid and Bid Guaranty in a sealed envelope to the exact location and before the precise time (as determined by the Department) specified in the Notice to Contractors or any applicable Bid Amendment. The sealed envelope must be labeled with the Bidder's name, the Work location, Title, and the words “Bid Enclosed”. As a minimum, the Bidder will submit a Bid Package consisting of the Notice to Contractors, the completed Acknowledgement of Bid Amendments form, the completed Schedule of Items, 2 copies of the completed Contract form, and any other Certifications or Bid Requirements listed in the Bid Book. For a related provision, see Section 102.11 - "Bid Responsiveness".

Electronic Bids must be submitted to the appropriate electronic bid system before the precise time (as determined by the Department) specified in the Notice to Contractors or any applicable Bid Amendment.”

102.11.1 Non-curable Bid Defects Revise the item on the list of non-curable Bid Defects for which the Department will reject Bids as non-responsive that reads “The Bid is not signed by a duly authorized representative of the Bidder.” by replacing it with the following:

“The Bid is not signed by a duly authorized representative of the Bidder.

- Properly submitted electronic bids meet this requirement.
- Paper bids must include either (1) one or more signed copies of the Contract Agreement form or (2) a signed copy of the Schedule of Items.”

102.11.1 Non-curable Bid Defects Revise this subsection by removing the words “The unit price and bid amount is not provided or a lump sum price is not provided or is illegible as determined by the Department.” and replacing it with the following:

“The unit price and bid amount is not provided if (1) the item quantity is not one or lump sum or, (2) the lump sum contract price is not provided or, (3) the unit price, bid amount or lump sum price is illegible as determined by the Department.”

102.11.2 Curable Bid Defects Revise the section by replacing the first paragraph with the following:

“Unless the Department waives a curable Bid defect, the Bidder must cure, within the time stated in the written notice by the Department, but not less than 24 hours, all other Bid Defects not listed in Section 102.11.1 - Non-curable Bid Defects that are identified by the Department. Failure to cure such Defects within said time may result in forfeiture of the Bidder’s Bid Guaranty. Upon such failure, the Department may take any action in the best interests of the Department, including those set forth in Section 103.6 - Failure to Fulfill Award Conditions.

Such curable Bid Defects include, but are not limited to, the following.

The Bidder signs only one of the Contract Agreement Offer & Award forms.

Missing total sum of the items provided in the Schedule of Items.

The prices or signatures on the Bid or Bid Guaranty are not in ink or other non-erasable substance.

Failure to acknowledge Receipt and consideration of all Bid Amendments.

The Bid includes only one signed Contract Agreement form.

The Bid does not include a signed Contract Agreement form but does include a signed Schedule of Items.

If a submitted bid contains any additional conditions or alternate bidding language, the Bidder may cure the defect by removing all conditions and alternate language or the Department will reject the bid as non-responsive.

The Bidder fails to submit the completed technical specification sheet checklists and vehicle descriptions or, the submitted completed technical specification sheet checklists and vehicle descriptions are incomplete, insufficient or unclear.

All other Defects that do not create a significant question as to the Bidder's total Bid amount or the Bidder's ability to complete the Work within the Contract Time or by the Contract Completion Date as determined by the Department."

SPECIAL PROVISION SECTION 103 AWARD AND CONTRACTING

103.1.1 Unit Prices Govern Add the following at the end of the paragraph:

"If the item quantity is one and either a unit price or bid amount is not provided, the unit price or bid amount omitted shall be determined mathematically by the Department."

103.5 Award Conditions Replace the first paragraph with the following:

"The Apparent Successful Bidder must provide and/or perform all of the items listed in this Section 103.5 within 14 Days of Receipt of the Notice of Intent to Award. Unless indicated otherwise, all items must be Delivered to the Department's Bureau of Maintenance & Operations."

103.5.1 Performance and Payment Bonds Delete the entire section 103.5.1.

103.5.4 Execution of Contract By Bidder Delete the entire section and replace with the following:

"The properly completed and signed Contract form provided with the Bid constitutes the Bidder's offer. Once the Department has received the insurance, and any other pre-award items required, the Department will sign and execute the Contract. The point of Contract execution is when the Contractor receives written notice that the contract has been signed by the Department and executed."

SPECIAL PROVISION SECTION 104 GENERAL RIGHTS AND RESPONSIBILITIES

104.3.8A. Federal Wage Rates and Labor Laws Delete the entire section 104.3.8A. Federal Wage Rates do not apply to this work.

104.3.8B State Wage Rates and Labor Laws Delete the entire section 104.3.8B.

SPECIAL PROVISION SECTION 105
GENERAL SCOPE OF WORK

105.2.2 Health and Safety Plan Delete the entire section and replace with the following:

“The Contractor has the authority and responsibility to ensure compliance with all applicable federal, State, and local laws governing safety, health, and sanitation including all applicable laws and regulations of OSHA. The Contractor shall comply with these laws and regulations and ensure compliance by its subcontractors.”

105.10.2 Requirements Applicable to All Contracts Under section A, number 2, in the first sentence of the first paragraph, revise this Section by replacing the word “handicap” in two places with the word “disability” so it now reads:

“2) The Contractor will, in all solicitations or advertisements for employees placed by or on behalf of the Contractor, State that all qualified applicants will receive consideration for employment without regard to race, color, sexual orientation, religious creed, sex, national origin, ancestry, age, physical disability, or mental disability.”

SPECIAL PROVISION SECTION 108
PAYMENT

108.3 Retainage Delete the entire section 108.3.

SPECIAL PROVISION SECTION 109
CHANGES

109.1.2 Substantial Changes to Major Items Delete the entire section.
