Section – Maine Business

Using the criteria given on the Schedule of Items form, the Bidder shall indicate if they are a Maine Business or not by responding to the question found on the Schedule of Items form in Appendix A which reads “Are you a Maine Business as defined in the Bid Documents?” The Bidder shall not make variations or alterations when responding to this question. The use of this information in making contract award decisions is required in accordance with Executive Order 2017-003, which states “Evaluators of competitive bids for goods and services shall give consideration to the investment in the State by business enterprises as a best-value criterion. Consideration for Maine business enterprises may result in low cost or top scoring bids not being considered as the best-value for the State of Maine.”

If the Apparent Low Bidder is a Maine business, as defined in the Bid Documents, the contract award will be made to that Bidder.

If the Apparent Low Bidder is a non-Maine business, the following will apply:

1. The review team will determine if any Maine businesses are within a “competitive range”. Competitive range is defined as a bid within 5 percent of the lowest bidder’s Bid.
2. If there are any Maine businesses within the competitive range, the total proposed costs for the Apparent Low Bidder and all Maine businesses in the competitive range will be compared. For comparison purposes, all Maine businesses will receive a 5% reduction to their total proposed cost. The contract award will be made to the lowest total proposed cost after the 5% reduction has been applied.

PRE-BID ROOF INSPECTIONS

PRE-BID ROOF INSPECTIONS can be scheduled with the Contract Administrator listed below. Inspections are not mandatory but encourage. The contractor will be responsible in providing the means to access the roof unless otherwise noted.

Bidders shall direct all technical or engineering questions, including requests for explanations or interpretation, in writing to the Bid Contact Person noted in the Notice to Contractors using the “Request for Information” form. RFI’s may be faxed to the number listed in the Notice to Contractors, submitted electronically through the Departments web page of advertised projects by selecting the RFI tab on the project details page or via e-mail to the address in the Notice to Contractors in accordance with the Notice to Contractors and the RFI Instructions contained in these documents. Bidders may attach separate sheets with questions to the “Request for Information” form.
