NOTICE

The Maine Department of Transportation is attempting to improve the way Bid Amendments/Addendums are handled, and allow for an electronic downloading of bid packages from our website, while continuing to maintain an optional plan holders list.

Prospective bidders, subcontractors or suppliers who wish to download a copy of the bid package and receive a courtesy notification of project specific bid amendments must fill out the on-line plan holder registration form and provide an email address to the MDOT Contracts mailbox at: MDOT.contracts@maine.gov. Each bid package will require a separate request.

Additionally, interested parties will be responsible for reviewing and retrieving the Bid Amendments from our web site, and acknowledging receipt and incorporating those Bid Amendments in their bids using the Acknowledgement of Bid Amendment Form.

NOTICE

Bidders:

Please use the attached “Request for Information” form when submitting questions concerning specific Contracts that have been advertised for Bid, include additional numbered pages as required. RFI’s may be faxed to 207-624-3431, submitted electronically through the Departments web page of advertised projects by selecting the RFI tab on the project details page or via e-mail to RFI-Contracts.MDOT@maine.gov.

These are the only allowable mechanisms for answering Project specific questions. Maine DOT will not be bound to any answers to Project specific questions received during the Bidding phase through other processes.

When submitting RFIs by Email please follow the same guidelines as stated on the “Request for Information” form and include the word “RFI” along with the Project name and Identification number in the subject line.

Vendor Registration

Prospective Bidders must register as a vendor with the Department of Administrative & Financial Services if the vendor is awarded a contract. Vendors will not be able to receive payment without first being registered. Vendors/Contractors will find information and register through the following link –

MAINE DEPARTMENT OF TRANSPORTATION
ON CALL EXCAVATORS AND DOZERS
Private Equipment Rental Agreement – with an Operator

Bid Rates

This Private Equipment Rental Agreement (hereinafter referred to as “**Contract**”) is entered into by and between the **MAINE DEPARTMENT OF TRANSPORTATION** (hereinafter referred to as “**MaineDOT**”), an agency of state government with its principal administrative offices located at Child Street, Augusta, Maine, and _____, a corporation or other legal entity (hereinafter referred to as “**Contractor**”). The following attachments are hereby incorporated into this Contract by reference:

Appendix A –Rental Rates for Equipment with an Operator

MaineDOT and the Contractor, hereby agree that the Contractor shall provide the equipment described in Appendix A and a licensed experienced operator to perform construction and maintenance services (hereinafter referred to as “**Contract Work**”) as requested and directed by MaineDOT and in accordance with the terms and conditions set forth below. This Contract is not a guarantee of work; Contractor shall be hired on an as needed basis during the term of this Contract.

1. **Work & Term.** The Contractor agrees to provide the equipment listed in Appendix A.

This Contract becomes effective on the date last signed by MaineDOT, and that constitutes the earliest date for which work may commence. The term of the Contract will continue until **December 31, 2020**. MaineDOT does not guarantee the use of any of the equipment listed in Appendix A.

2. **Equipment.** Contractor shall be responsible for all fuel, grease, oil, maintenance, servicing, operation, protection required for their equipment, in addition to mobilization and all other incidentals. Contractor shall provide for the required vehicle insurance, registration and licensing of any equipment used to perform the services herein.

3. **Contact Information.** All correspondence and reports will be sent to the individual below.

Contractor: _____

Attn: _____

Address: _____

Vendor Code: _____ **E-Mail:** _____

Tel#: _____ **Cell#:** _____ **FAX#:** _____

4. **Standard of Care and Correction of Errors.** Contractor hereby represents and warrants that the Contractor and its employees have the requisite skills, and expertise to perform all Contract Work using the accepted standards of care in the Contractor's profession or occupation. If MaineDOT finds either the equipment or the operator to be unsatisfactory, the Contractor shall provide an immediate replacement so as to avoid any impact on the project schedule. If Contractor is unable to provide a replacement in a timely manner, MaineDOT reserves the right to hire a new Contractor to complete the work.

5. **Insurance Requirements.**

Contractor Procured Insurance. Signed, valid, and enforceable Certificates of Insurance shall be provided to the MaineDOT upon execution of the Contract and whenever said policies are renewed thereafter during the period of the Contract. All insurance coverage must be provided by an insurance company or companies licensed or approved to do business in the State of Maine by the Maine Bureau of Insurance. Contractor shall pay all premiums and take all other actions necessary to keep required insurances in effect during such times as Contract obligations exist. Any requests for waivers, to the requirements below, shall be submitted to the MaineDOT.

Commercial General Liability Insurance. The Contractor and Sub-contractor(s) shall purchase and maintain a policy of Commercial General Liability or other coverage affording equal or greater protection as determined by the MaineDOT, in an amount not less than \$400,000 per occurrence and not less than \$2,000,000 in the aggregate. Such policy shall include products and completed operations as well as contractual liability coverage and must name MaineDOT as an additional insured.

Automobile Liability Insurance. The Contractor and Sub-contractor(s) shall carry Automobile Liability insurance covering the operation of all motor vehicles including any which are rented, leased, borrowed or otherwise used in connection with the project. The limit of liability under this section shall be no less than \$400,000 per occurrence and shall name MaineDOT as an additional insured.

Workers' Compensation Insurance. Contractor shall carry Workers' Compensation Insurance or shall qualify as a self-insurer in accordance with the requirements of the laws of the State of Maine.

6. **Rates.** Rates for equipment determined by bid will be paid for at the bid rates attached in Appendix A in accordance with the process in Section 7. "Assignments". Any rate so determined shall be considered to be unique and therefore, not a basis for making changes in the published "Private Equipment Rates" found at www.maine.gov/mdot/csd/laborrates/. Rates greater than published rates will only be paid when the rates are bid or suitable equipment and operators are not available at or below published rates. Mobilization to and from the jobsite will not be paid separately and will be considered incidental to the base rental rate, unless otherwise noted.

7. **Assignments.** For work paid at greater than the published rates, work will be assigned under these agreements according to the following process: The Contractor with the lowest bid for the particular Equipment with the appropriate attachments and capabilities for the Region (the "Assignment") will have first option to furnish the equipment. If this Contractor is unable to accept the Assignment, then the MaineDOT will contact the firm that submitted the next lowest bid to see if that Contractor will accept the Assignment and subsequent Contractors in ascending order of the amount of their bids, until a Contractor accepts the Assignment.

8. **Termination and Failure to Perform.** If, a Contractor accepts an assignment and then fails to furnish equipment when required or furnishes unsatisfactory equipment, or fails to meet other contractual requirements, the MaineDOT may issue a written warning. If the Contractor subsequently fails to furnish equipment when required or furnishes unsatisfactory equipment, or fails to meet other contractual requirements, the MaineDOT reserves the right to immediately terminate the Contract by written Notice of Termination. Any person employed by the Contractor, who, in the opinion of the MaineDOT, is intemperate or disorderly or jeopardizes safety of any person or the Project shall be

removed immediately by the Contractor. The employee shall not be employed again in any portion of the Contract Work without prior approval from the MaineDOT. All persons employed by or through the Contractor, shall have sufficient skill and experience to perform the Contract Work properly. The MaineDOT may terminate this Contract with or without cause upon 7 days written notice.

9. **Hold Harmless.** The Contractor agrees to indemnify, defend, and holds harmless the MaineDOT and its officers, agents and employees from and against any liabilities, expenses (including reasonable attorney's fees and court costs), claims and demands arising from:
- a. bodily injury, including death, and property damage (public or private) that in any way arises out of the acts or omissions of the Contractor, its Subcontractors, or employees, in connection with the performance of this Agreement;

The language in the Agreement shall not constitute a waiver of any defense, immunity or limitation of liability that may be afforded the MaineDOT, or its officers, agents or employees, under the Maine Tort Claims Act (Title 14 M.R.S.A. 8101 et. seq.), and shall not constitute a waiver of any other privileges or immunities that may be afforded to the MaineDOT. This provision shall survive termination or expiration of this Agreement.

10. **Project Records.** Records shall be available for review by the MaineDOT or its designee, for a period of three (3) years following final payment. The Contractor shall keep records in such form as may be easily audited.

MaineDOT shall complete a Daily Work Verification Form and attest to the equipment, and hours to be measured for payment. This Report must be signed by a MaineDOT representative and the Contractor and the Department and the Contractor shall each retain a copy of the completed form. If no Report is completed, accepted quantities of equipment rental will be determined by the MaineDOT.

11. **Representations.** By signing below, the Contractor hereby represents that to the best of the Contractor's knowledge and belief:
- a. The Contractor knows of no legal, contractual, or financial impediment to entering into this Contract.
 - b. The person signing below is legally authorized by the Contractor to sign this Contract on behalf of the Contractor and to legally bind the Contractor to the terms of this Contract.

12. **Dispute Resolution.** If, in the performance of this Agreement, there arises a dispute between the Contractor and MaineDOT that cannot be resolved by the parties to the Contract, the parties may agree to submit the dispute to non-binding Alternate Dispute Resolution. All disputes shall be governed by Maine law, and all actions shall be filed in the Kennebec Superior Court, in Augusta Maine.

13. **Governing Law.** This Contract shall be governed by the laws of the Federal Government and the State of Maine. Contractor shall comply with all applicable federal, state, and local laws, including all applicable OSHA laws and regulations.

14. **Entire Contract.** This Contract consists of the State of Maine, Department of Transportation, Standard Specifications, November 2014 Edition, Sections 101, 102, &103 and this agreement will be governed by the documents listed above. This document cannot be changed except through the execution of a written modification.

IN WITNESS WHEREOF, the Contractor, for itself, its successors and assigns, hereby execute this Contract and thereby binds itself to all covenants, terms, and obligations contained in the Contract Documents.

Schedule. The Contactor shall provide and operate the equipment intermittently, as needed by the MaineDOT. The MaineDOT will usually notify the Contractor at least one week prior to scheduled contract work unless circumstances require a more immediate response.

Performance.

The MaineDOT reserves the right, to inspect the equipment and reject because of condition, and the Contractor shall have the option to replace the equipment with another acceptable, equivalent unit or the MaineDOT may assign the Work to another Contractor. Condition deficiencies may include, but are not limited to, equipment with excessive wear, broken parts, low hydraulic pressure, below standard operation, equipment that is not OSHA compliant or equipment with leaks that can get to the pavement, ground or into water bodies.

In the case of repetitive breakdowns during operation, delayed maintenance that affects performance, or if a piece of equipment is unable to run, is unsafe to operate or should not be run as determined by the MaineDOT, the Contractor shall repair the equipment promptly, replace the equipment with another acceptable, equivalent unit, or the MaineDOT may assign the Work to another Contractor. In the event of a major breakdown, the MaineDOT and the Contractor may agree to mutually agreeable repair schedule.

Operators shall be experienced with the work being performed and have sufficient skill and experience to perform the Work properly. Operators determined by the MaineDOT to be below normal acceptable standards of production or workmanship shall be replaced with another acceptable operator immediately or the MaineDOT may assign the Work to another Contractor. At the minimum, operators shall have more than one thousand hours and more than two years of experience within the last five years performing applicable work such as ditching, inslope, culvert replacement, grading, and performing work in or adjacent to traffic, instream, or as otherwise required. Operators shall have sufficient general knowledge of the related laws, regulations, specifications and practices to make informed decisions regarding compliance. If, a Contractor furnishes unsatisfactory equipment or operators, the MaineDOT may issue a written warning. If the Contractor subsequently furnishes unsatisfactory equipment or operators, the MaineDOT reserves the right to immediately terminate the Contract by written Notice of Termination.

Measurement and Payment

The MaineDOT will measure and pay for equipment rental at the units and rates determined in Appendix A of the "Private Equipment Rental Agreement". Hourly measurements will be made to the nearest ½ hour.

Time spent moving to and from the site will not be paid. The Contractor may be paid for time spent moving within a project. A project is defined as continuous work in the same location or several different locations within a single region without interruption.

Prior to assigning work, the Department and the Contractor shall mutually agree to the assignment location(s), dates, time, duration, and criteria establishing payment hours.

Hourly work will be measured for payment in accordance with the criteria for payment hours established at the time the Contractor accepted the assignment and the contract.

This criteria for the hour at which payment begins could include:

- the scheduled show up time,
- the time the Contractor was on site and ready to work,
- the time physical work under this contract commenced,
- or other such time determined by the Department.

This criteria for the hour at which payment ends could include:

- the scheduled time,
- the time when work under this contract was done for the day,
- or other such time determined by the Department.

Hours to be measured for payment will be determined by the Department.

At the Departments discretion, the Contractor may be paid for hours spent in requested standby, for hours not worked during a scheduled day due to delays and schedule changes caused by the Department, and other circumstances for which the Contractor may be due compensation.

If scheduled equipment rental contract work is cancelled by the Department but not cancelled prior to 5:00 pm on the preceding day, the MaineDOT may pay the Contractor for 2 hours for the day on which scheduled work was canceled.

Equipment down time resulting from equipment failure will not be measurable for payment and not be included in payments for the day's work. The number of work hours will be reduced to exclude the down time. The minimum reduction shall be one-half hour.

The MaineDOT will pay an emergency callout at the hourly rate of three (3) times the bid hourly rate. This includes weekends, holidays, weekdays not under hire by the Department, and after hour emergency callouts. Equipment rental during an emergency will be measured for payment beginning no earlier than the time directed by the Department to send equipment to emergency site and end when the equipment is done as directed by the Department.

MaineDOT will determine if a callout is an emergency prior to assigning the work. An emergency is defined as an immediate need to protect the health and safety of the traveling public. An emergency may be caused by but not limited to an accident, natural disaster or unexpected incident.

The accepted quantities of equipment hours will be paid for at the contact unit price per hour, with no additional payment for overtime.

Bidding

As a minimum, the Bidder will submit a bid Package consisting of the following:

- (1) the completed Appendix A or a separate equipment and rate list that contains all of the information required to complete Appendix A, and
- (2) 2 copies of the completed and signed Private Equipment Rental Agreement –With an Operator form, and
- (3) any other Bid Requirements listed in the Bid Documents.

Award and Contracting

After Bid Opening and as a condition for Award of a Contract, the MaineDOT may require an Apparent Successful Bidder to demonstrate to the MaineDOT's satisfaction that the Bidder is responsible and qualified to perform the Work and that the equipment is acceptable to the MaineDOT. The MaineDOT may supplement or change Bidder provided specification related information to improve accuracy when determining equipment classification and eligibility. Specification information found on manufacturer websites, brochures and at www.ritchiespecs.com will be considered generally accepted.

The properly completed and signed Private Equipment Rental Agreement – With an Operator form provided with the Bid constitutes the Bidder's offer. Once the MaineDOT has received any other pre-award items required, the MaineDOT may sign the Private Equipment Rental Agreement – With an Operator form and execute the Contract.

SPECIAL PROVISION SECTION 103
AWARD AND CONTRACTING

103.1 Analysis of Bids. Amend this Section by adding the following:

“103.1a Tie Bids. In the case where two responsive bids from responsible bidders are equal monetarily, the Department shall determine the apparent low bidder by flipping a coin. The coin shall have sides clearly marked as heads and tails. The contractor whose first letter in their official company name that comes first in the alphabet shall be heads.

If there are three bids, each bidder will flip the coin and the bidder with the odd toss will be the winner. (i.e. if the results are two heads and a tails, the bidder who had tails is the winner). For a three-way tie, bidders may flip their own coin or have the Contracts Engineer flip for them.

The coin flip will occur at the next bid opening by the Contracts and Specifications Engineer or a designee. The tied bidders may attend the coin flip in person or watch on the internet as they choose.”

103.1.1 Unit Prices Govern. Add the following at the end of the paragraph:

“If the item quantity is one and either a unit price or bid amount is not provided, the unit price or bid amount omitted shall be determined mathematically by the Department.”

103.3.2 Notice of Determination. Revise this section by removing sections A – M and replacing with the following A - K:

(A) Default(s) or termination(s) on past or current Contracts.

(B) Failure on past or current Contracts to pay or settle all bills for labor, Materials or services; to comply with directives of the Department, to fulfill warranty obligations, or to provide Closeout Documentation.

(C) "Below Standard" performance as determined from the Department's Contractor's Performance Rating process.

(D) Insufficient bonding capability or Inability of the Contractor to obtain or retain performance or Payment Bonds meeting MDOT requirements, or a pattern of unsupported Claims.

(E) Failure to accept an Award of a Contract made by the Department.

(F) Failure to provide information requested by the Department in a timely manner.

(G) Debarment, suspension or a denial of prequalification or 'award of contract' by any federal, State, or local governmental procurement agency or the Contractor's Agreement to refrain from Bidding as part of the settlement with any such agencies or any of the reasons contained in Section 102.02 of the

“Rules Regarding Debarment of Contractors”, Maine Department of Transportation Register 17-229, Chapter 102 (October 2, 1985).
