## Infotech® Multi-Browser Digital IDs for New Users

An Infotech® Digital ID confirms your identity as the authorized signer of your company and allows you to securely sign documents, such as bids or contracts, in an Infotech service.

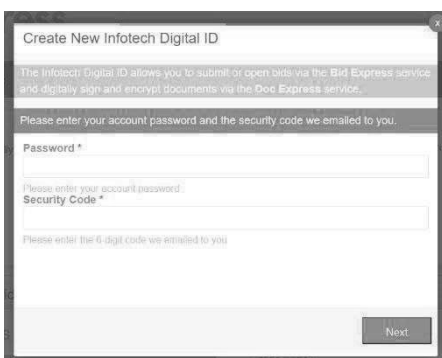

You must have a Digital ID created and approved before using any feature that requires a digital signature, such as advertising a solicitation, conducting a bid opening, submitting a bid in the Bid Express® service, or signing a contract document in the Doc Express® service.

### Before you begin

- You'll need access to your email in order to receive a verification code.
- You'll need a copy of the your driver's license, passport, or state ID in a file that can be uploaded.
- An Infotech customer support representative will call you, hopefully within one business day, to confirm your identification.
- The ID must be installed after the identify is confirmed.
- It may take up to seven days to complete the entire process.

### Ready to apply for your Digital ID?

Go to your account pages by selecting **My Account** from the **three lines** in the upper left corner. Click **Digital ID** from the sidebar menu.

1. Click **Create Digital ID** to start the application.
2. Get the security code from your email and come back to the generate ID process.
3. Enter your account password and the code. Click **Next**.
4. Read the creation information and click **Next**.
5. Click **Attach Identification**. Navigate to and select the file

**infotech** Support hours: 7am–8pm Eastern ▪ support@bidexpress.com ▪ infotechinc.com

containing your ID and click **Open**.

6. Enter your name EXACTLY as it appears in the ID, including any punctuation marks or suffixes (like Jr.), and in legal order. Click **Next**.
7. Enter your contact phone number.
8. Enter the state where the company headquarters are located. Click **Next**.
9. Review your business information. Confirm that the name of the person listed is the authorized signer for your company and your company name matches how you would like to submit bids to the agency. Click **Submit**.

A member of the customer support team will call you after the application is processed, hopefully within one business day, to confirm who you are. Once that happens, you'll get an email with instructions on installing your multi-browser Digital ID.

MaineDOT is making this bid opportunity available on the [bidexpress.com](http://bidexpress.com) website. Bid Express is an internet-based online service that allows bidders to save time and money by submitting their bids electronically. Bidders register for free, create their digital identification for free, and download procurement documents/plans for free. Bidders are only charged when they decide to respond to the solicitation a \$35 electronic bidding fee or \$50 monthly subscription for unlimited electronic bidding that can be canceled at any time.

Please allow a few days for mailing and processing of the signed notarized registration.

It is important to note that the Bid Express service is NOT the same service that MaineDOT uses for its construction projects ([bidx.com](http://bidx.com)). While the services are offered by the same company, the sites are vastly different in how they function. Potential bidders are encouraged to view the Bid Express Quick Start Guide provided on the following pages.

For any additional questions, please contact the Bid Express customer support team. The team can be reached by phone at 888-352-BIDX (2439) or by email at [support@bidexpress.com](mailto:support@bidexpress.com).

If Default occurs, the Department may give written Notice of Default to the Contractor. Failure to give Notice of Default is in no way a waiver by the Department of any provision of the Contract. In this event, the Department may enter into an Agreement with another entity for the Completion of the Work, or use such other methods as in the opinion of the Department are required for the Completion of the intent of the Contract in an acceptable and timely manner. Termination of the Contract or portion thereof shall not relieve the Contractor of its Contractual responsibilities for the Work completed (including warranty obligations), nor shall it relieve the Surety of its obligation for claims arising from the Work or the Contract. The Department will pay for all Accepted items of Work as of the date of Termination at agreed upon prices.
