**Amendment No. 2**

David Bernhardt  
COMMISSIONER

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 9) "NOTICE TO CONTRACTORS" **CHANGE** the sentence that reads "The basis of award will be ..." to read as follows; "**The basis of award will be section 0001 and 0002 OR section 0001 and 0003**". Make this change in pen and ink.

The following questions have been received:

**Question:** If the basis of award is section 0001 combined with the chosen alternate, is the Contractor selecting the alternate or the owner? Are we to submit pricing for both alternates with our proposal? Are we supposed to leave one of the alternates "open" without pricing?

**Response:** The basis of award will be section 1 with either section 2 OR 3 as chosen by the Contractor. Section 2 and 3 are alternates of each other and only one can be chosen by the contractor so that the other one is blank.

**Question:** There are references to DBE utilization in the bid documents; however I cannot find any minimum goals or submission requirements. Are there DBE utilization requirements for this project?

**Response:** No

Consider this change and information prior to submitting your bid on July 11, 2012.

Sincerely,

George M. A. Macdougall P.E.
