Dear Sir/Ms:

The following questions have been received:

Question: Wage Rates, Fringes (not listed in the Contract Bid Book)

1) Paver Operator, 2) Asphalt Roller

Description for Screed Operator may be specific to concrete, but wasn't sure if this pertains to Asphalt?

Response: Any Classification or Fringes not listed on the wage rates in the contract bid book will have to be requested by the low bidder from the Department of Labor after the contract has been awarded.

Question: We have received a half sized set of plans and they are not to scale. The full size set is O.K. Can you assist?

Response: The Department has resolved this issue and has printed new half sized plans, any half size plans purchased prior to today's date are not to scale. The Department will mail the new plans to the Contractors that have registered and purchased half size plans.

Consider this information prior to submitting your bid on February 29, 2012.

Sincerely,

George MacDougall
Acting Contracts & Specifications Engineer
