Subject: **Leeds**
Federal Project No: STP-1266(900)X
State PIN: 012669.00
Amendment No. 3

Dear Sir/Ms:

The following questions have been received:

Question: Has DEP issued a "Virgin Petroleum Product" letter for this project? If no, can they and/or will they issue such a letter? If we have a letter, the testing costs for disposal are significantly less.

Response: Maine DEP will get the letter out after the bid award, probably when the contractor is about to start work in AREA A.

Question: The RCP suppliers are asking for more detail in regards to the weirs for the 48" RCP. Should these be precast with the pipe? What is the reinforcing steel detail Please provide more information.

Response: Bid per drawing on Sheet Number 5 of 113.

Consider this information prior to submitting your bid on June 29, 2011.

Sincerely,

For Scott Bickford
Contracts & Specifications Engineer
