COMMISSIONER

Dear Sir/Ms:

Make the following change to the Bid Documents:

NOTE: The electronic plan set on the web contained an error for the quantity of item 203.2333. The quantity should read 50 Tons for each WIN for a total of 100 Tons. All printed material has the correct amounts. The plan set on the web site has been updated to reflect the correct amounts. Only the plans on the web site are affected.

The following questions have been received:

Question: The "Notice To Contractors provides a location for WIN 17106.00 but not for WIN 16350.00. Special Provision Section 102 Bidding (Wages) states that the State Labor Rates apply to WIN 17106.00 only. Please provide a location for WIN 16350.00.

Response: The locations are the same, WIN 16350.00 is for the sidewalk items in general, and WIN 17106.00 is for the underdrain and excavation items. Both share the same location.

Question: Sheet 4 of 55 shows a combined 10 Tons for item 203.2333. Schedule of Items shows 100 Tons for item 203.2333. Please clarify.

Response: The quantity should be 100 tons. Please see the above note.

Consider this information prior to submitting your bid on December 5, 2012.

Sincerely,

George M. A. Macdougall P.E.
