Dear Sir/Ms:

The following question has been received:

Question: Will night operations be allowed for this project?

Response: During the development of this project the Department did not discuss with the public or negotiate with the local municipality the option to do night work.

The option of doing night work on this project will require that the Contractor seek permission directly from the town of Brunswick.

Consider this information prior to submitting your bid on July 20, 2011.

Sincerely,

Scott Bickford
