Dear Sir/Ms:

The following question has been received:

**Question:** The foundations for the two (2) OH Sign Supports are included in the project bid documents. Is the apparent low bidder required to install these foundations or can they design alternate foundations on their own?

**Response:** The Contractor can submit an alternative design for approval.

Consider this information prior to submitting your bid on August 10, 2011.

Sincerely,

Scott Bickford  
Contracts & Specifications Engineer
