Subject: **Biddeford**
Federal Project No: STP-1751(405)X
State Pin No: 017514.05
Amendment No. 1

Dear Sir/Ms:

Make the following change to the Bid document:

In the Plans, SHEET NUMBER 2 OF 5, "CROSSWALK SECTION" **CHANGE** "PROVIDE 2" HMA 12.5 MM" to read "**PROVIDE 1.5" HMA 12.5 MM**". Make this change in pen and ink.

The following questions have been received:

Question: How will flaggers and traffic control be paid for alternates #2 thru #6?

Response: Flaggers will be paid by the hour; Traffic Control will be incidental to the alternates.

Question: The crosswalk detail calls for a saw cut. Can this be eliminated if grinding leaves a vertical edge?

Response: Yes

Question: The plan sheets call for 2" of HMA and Special Provision 403 calls for 1 ½", which thickness is correct for this project?

Response: 1 ½"

Question: There are no provisions on the bid form for Traffic Control in the alternates; are these items to be incidental? Please clarify.

Response: Incidental – except for flaggers which will be by the hour.

PRINTED ON RECYCLED PAPER

Consider this change and information prior to submitting your bid on December 29, 2010.

Sincerely,

A handwritten signature in black ink, appearing to read "Scott Bickford". The signature is fluid and cursive, with the first name "Scott" and last name "Bickford" clearly distinguishable.
