Amendment No. 3

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book, after page 23, **ADD** the attached "TYPICAL SECTION 3" 1 page total

The following question has been received:

Question: The construction notes show culvert transitions for five locations, but there are only four 18" pipe locations shown. Is it the Departments intent to remove and reset pipe in the fifth area? If not, will a standard detail for the area be provided?

Response: Please see the attached typical section for the pipe located at Station 34+20 which will remain in place. The four 18" pipes to be replaced will be constructed as depicted in Typical Section 2.

Consider this change and information prior to submitting your bid on May 2, 2012.

Sincerely,

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
