**Amendment No. 3**

Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book, NOTICE TO CONTRACTORS, Description, **CHANGE** the Federal Project No. from "STP-177(900)X" to read "**STP-1777(900)X**". Make this change in pen and ink.

The following question has been received:

**Question:** For all 403 items, please quantify the distance back from the curb line that milling and pavement is required at all driveways, intersecting streets and sidewalks.

**Response:** The intent is to mill and fill to the existing curb line, in the event that side road and driveway match points need adjustments due to condition and or slight grade changes in the main line, those limits will be determined in the field by resident.

Consider this change and information prior to submitting your bid on January 26, 2011.

Sincerely,

Scott Bickford
