State Pin No: 018038.00
Amendment No. 1

Dear Sir/Ms:

The following question has been received:

Question: The Department is seeking bidders to purchase and remove the existing pile of HMA millings. Please clarify "purchase and remove". Is it MDOT's intent to transfer ownership of the millings to the Contractor and to compensate the Contractor for the removal?

Response: The ownership of the RAP will transfer to the contractor and they will be responsible for removing the RAP from the Bangor location and hauling to an approved site (for example: HMA plant location for reuse). The lump sum price should include these factors and may be negative.

Consider this information prior to submitting your bid on November 3, 2010.

Sincerely,

Scott Bickford
Contracts & Specifications Engineer
