Subject: Evans Brook Bridge
Deck Replacement
State WIN:018724.00
Location: **Batchelders Grant**
Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to the bid documents:

In the bid book:

REMOVE pages 23-30 CONTRACT AGREEMENT OFFER AND AWARD, two copies four pages each, and **REPLACE** with the attached revised CONTRACT AGREEMENT OFFER AND AWARD two copies four pages each

REMOVE page 59 SPECIAL PROVISION SECTION 107- TIME- (bridge Closure and scheduling of work, 1-page dated July 8,2022, and **REPLACE** with the attached revised SPECIAL PROVISION SECTION 107-TIME (Bridge Closure and scheduling of work) Dated August 15, 2022

The following questions have been received:

Question: 1. With an allowed in water work window of 7/15 to 9/30, bid date of 8/24/2022 and a completion date of 5/23/2023 the schedule doesn't allow time to perform the in-water work activities. Can the schedule be changed to allow time for the in-water work?

Response: Yes, the contract completion date has been changed. Please see revised Special Provision 107 included with this RFI response.

Question: Have the correct wages been included in the documents? We typically see Heavy & Bridge wage rates for this type of work.

Response: Yes, the correct wages have been included in the Contract documents. The Federal wage rates are included in the contract book. Highway is the correct designation for Federal wages for Bridge work. There are no separate Bridge rates for the Federal wage rates. MaineDOT is no longer required to add State wage rates to Federally funded projects.

Consider these changes and information prior to submitting your bid on **August 24, 2022**

Sincerely,

George M. A. Macdougall P.E.
