COMMISSIONER

October 5, 2018  
Subject: Building Demolitions & Removal  
State WIN: 018915.10  
Location: **Eddington & Brewer**  
**Amendment No. 1**

Dear Sir/Ms.:

The sign in sheet generated at the optional pre-bid meeting held October 3, 2018 is attached and available for Contractor review.

The following questions have been received:

Parcel 1 – 295 Clewleyville Road, Eddington

**Question:** Can the foundation rocks be used as fill?

**Response:** Yes, at this site you can use the rocks.

**Question:** Will the Contractor need to bring in common borrow to fill in the remaining cellar hole?

**Response:** Yes.

Parcel 2 – 633 Main Road, Eddington

**Question:** Can the gravel from the mobile home pad be used to fill in the hole from the removal of the septic tank?

**Response:** Yes, provided that everything is leveled off afterwards.

Parcel 3 – 26 Ruhlin Way, Brewer

**Question:** What do we do about the junk piles in the yard?

**Response:** MaineDOT will have this cleaned up by another party. This will not be a part of this bid.

PRINTED ON RECYCLED PAPER

**Question:** Does concrete need to be hauled off?

**Response:** Yes.

**Question:** Can we use existing material that is on-site to fill in holes or do we need to bring in common borrow?

**Response:** On-site existing material is acceptable at this site. Be sure that the lot is left level. No new holes will be created.

**Question:** How do we handle the wells?

**Response:** The wells shall be abandoned in accordance with CMR Chapter 2332 – Well Drillers and Pump Installer Rules. A Maine Licensed Well Driller shall be employed to properly abandon the potable water supply in accordance with Chapter 7 of the above references rules. The top of the well casings shall be a minimum of two feet below the finished grade.

Consider these changes and information prior to submitting your bid on **October 10, 2018**.

Sincerely,

George M. A. Macdougall P.E.
