David Bernhardt  
COMMISSIONER

Dear Sir/Ms:

Make the following change to the Bid Documents:

In the Plans, Sheet number 3 of 124, bottom diagram, **CHANGE** the concrete barrier symbol to show **Type 3 Guardrail**. Make this change in pen and ink.

The following question has been received:

**Question:** Does the State know the intentions of the group currently on site cutting wood? They seem to be taking the better wood and leaving the brush.

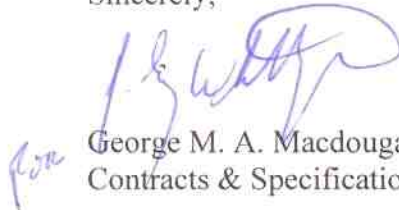

**Response:** The landowner has expressed interest in clearing his parcel to the construction limits.

**Question:** The temporary concrete barrier shown on bottom section on sheet 3. Who is responsible for this barrier? If the Contractor, how is it paid for?

**Response:** The typical shown is in error, and should display the installation of Type 3 Guardrail. Please see the above pen and ink change.

Consider this change and information prior to submitting your bid on August 15, 2012.

Sincerely,

  
for
