Dear Sir/Ms:

The following questions have been received:

**Question:** Item 203.210, Rock Excavation and Item 206.070 Structural Rock Excavation – Drainage and Minor Structures; I have searched GeoTech report, Plans Sections, Am I missing information indicating 300 yd. open and 80 yd. Structural?

**Response:** No soundings were done for limits of ledge; assumed quantities of structural and rock excavation were carried in case encountered.

**Question:** Plan Sheet 7 of 56 – Flush Island Detail; what is the texture on the textured concrete? Stamped? If so, what pattern, broom?

**Response:** Broomed finish.

Consider this information prior to submitting your bid on September 5, 2012.

Sincerely,

George M. A. Macdougall P.E.
