Dear Sir/Ms:

Make the following change to the Bid Document:

In the Bid Book (page 34) **ADD** the following note in pen and ink;

“24) Any removed and un-useable guardrail and components will become the property of the contractor.”

The following question has been received:

Question: Item #606.23 – Is there any existing Guardrail/Cable to be removed and disposed or stacked in areas new guardrail is required? If so, will it become the Contractor’s property?

Response: Please see the above pen and ink change. Any removed and un-useable guardrail and components will become the property of the contractor.

Consider this change and information prior to submitting your bid on February 15, 2012.

Sincerely,
