Amendment No. 3

Dear Sir/Ms:

The following question has been received:

Question: Is the Contractor required to bid both Section 2 and Section 3? Will it be the Contractor's option to pick which option they would like to perform?

Response: No, the Contractor must bid on section 1. Then choose 2 or 3, not both. The basis of award will be the combination of sections 1 and 2 or sections 1 and 3.

Consider this information prior to submitting your bid on March 28, 2012.

Sincerely,

George Macdougall
Acting Contracts & Specifications Engineer
