Dear Sir/Ms:

The following question has been received:

Question: Are the existing BCTs to be removed where the 350s are going?

Response: Yes, there are existing end treatments that will have to be removed prior to installation of the 350 end treatments. Removal and disposal of existing end treatments will be incidental to the installation of 606.79

Consider this information prior to submitting your bid on April 25, 2012

Sincerely,

George Macdougall
