Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

CHANGE on page 30, under the line that states "--Digger Derrick will be a Connor mount with platform controls" to read "SPECIFICATIONS "--**Digger Derrick will be a Corner mount with platform controls**". Make this change in pen and ink.

The following question has been received:

Question: I am interested in which specific Digger Trucks you are looking at that meet the specs outlined on Page 30. Is "Connor mount" a typo? I read this as corner mount - if my interpretation is accurate I have not been able to find anyone that makes a corner mount to meet the required specs. Is a center mount acceptable?

Response: Either a corner mount or a center mount will be acceptable.

Consider these changes and information prior to submitting your bid on **February 3, 2021**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
