Amendment No. 2

Dear Sir/Ms.:

The following question has been received:

Question: It appears work is allowed from August 30, 2021 to October 16, 2021. Is there any reason work could not take place this year (2020)?

Response: If the successful bidder can procure a precast box culvert for 2020 construction, the Department will, via contract modification, allow construction after **August 31, 2020**, and will allow the Contractor to detour traffic beginning **September 8, 2020**.

Consider these changes and information prior to submitting your bid on **May 6, 2020**.

Sincerely,

A handwritten signature in black ink that reads "George M. A. Macdougall".
