Dear Sir/Ms.:

The following questions have been received:

**Question:** Will the permanent restoration of sidewalks disturbed by the test pits, installation or removal of foundations, conduits, cabinets, junction boxes etc. be paid for by the appropriate bid items?

**Response:** The 801.03 item pays for the contractor to replace existing materials to match or exceed the ADA compliance of the original surface. This 801.03 work is temporary. The final restoration of the surface will be paid by appropriate bid items.

Consider these changes and information prior to submitting your bid on **March 18, 2020**.

Sincerely,

A handwritten signature in blue ink that reads "George M. A. Macdougall".
