The following questions have been received:

Question: Special Provision Section 105 General Scope of Work describes Limitations of Operations for the Interchange Bridge and Western Ave. There is no mention of Limitations of Operations for work on I-295, Pond Rd and Brunswick Ave. Are we correct to assume that there are no Limitations of Operations for these travel ways?

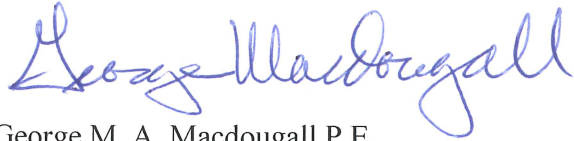

Response: See attached SPECIAL PROVISION - SECTION 105 - GENERAL SCOPE OF WORK - (Limitations of Operations) for WINs 022312.00, 022314.00 & 022370.00.

Question: Will concrete barrier be allowed to close a lane on I- 295? This will remain in place 24hrs per day for the duration of our work in each lane.

Response: No, 24 hour lane closures will not be allowed. See attached SPECIAL PROVISION - SECTION 105 - GENERAL SCOPE OF WORK - (Limitations of Operations) for WINs 022312.00, 022314.00 & 022370.00.

Consider these changes and information prior to submitting your bid on **April 24, 2019**.

Sincerely,
