March 25, 2019
Subject: Bridge Paint Projects
State WINs: 022288.00, 022306.00,
022308.00 & 022374.00
Location: Bingham, Fairfield & Waterville
Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

On page 14, NOTICE TO CONTRACTORS, **CHANGE** the second paragraph which begins "Description: Maine Federal Aid Project..." to read "Description: Maine Federal Aid Project No. 2228800 WIN 022288.00, 2230600 WIN 022306.00, 2230800 WIN 022308.00, 2237400 WIN 022374.00". Make this change in pen and ink.

The following question has been received:

Question: Regarding structure 5819, it appears the south fascia has a waterline attached to the structure that was not shown on the existing plans. Is this waterline and associated brackets to be included in the painting of this structure? If so, what is the size of the waterline?

Response: See SPECIAL PROVISION - SECTION 506 – Lead Abatement and Coating Application, painted structural supports shall be painted, but the sewer line does not get painted. The bridge has a 12-inch forced sewer line that is non-insulated.

Consider these changes and information prior to submitting your bid on **March 27, 2019**.

Sincerely,

George M. A. Macdougall P.E.
Contracts & Specifications Engineer
