Amendment No. 1

Dear Sir/Ms.:

The following question has been received:

Question: On the Barrows Falls Bridge in Monson there is grating, is this grating to be coated along with the other steel items?

Response: Yes, the bridge in Monson has grating, but we only need to coat the top of the girders, not all of the grid.

Consider these changes and information prior to submitting your bid on **April 15, 2020**.

Sincerely,

A handwritten signature in black ink that reads "George Macdougall".
