November 16, 2020
Subject: Bayview Street Bridge Deck
Replacement
State WIN: 022380.00
Location: **Yarmouth**
Amendment No. 2

Dear Sir/Ms.:

The following questions have been received:

Question: For item 643.72 - Temporary Traffic Signals, is this for a rental or to buy? Also if this is a rental, how long will these be needed for (months)?

Response: It is up to the Contractor on whether they want to rent or purchase the Temporary Traffic Signals. The duration needed is based on the Contractor and the time that they will be needing them during the construction activities as specified in SPECIAL PROVISION - SECTION 107 - TIME - (Contract Completion Date, Supplemental Liquidated Damages, Allowable Work Times).

Question: Is there a profile or as-built drawing of the bridge mounted forced sewer pipe that we could see? The varying profile and inability to field verify measurements prebid make it difficult to assume a shielding/overhang design that will allow for the pipe to remain in place.

Response: The best information regarding the location of the 4-inch force sewer main is located on SHEET NUMBER 22 of the Contract Plan Set.

Consider these changes and information prior to submitting your bid on **November 18, 2020**.

Sincerely,

A handwritten signature in blue ink that reads 'George Macdougall'.
