Dear Sir/Ms.:

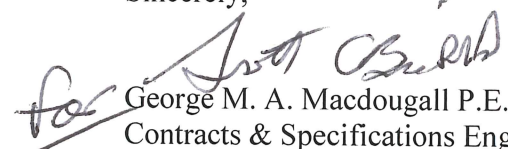

The following question has been received:

**Question:** Due to the size/timing of this project, would the Department consider replacing the Type B Field Office with a Type D Field office?

**Response:** No, the Type B Field Office is required. The project is over 7 weeks long, and does not begin until after Labor Day, so there is plenty of time to set up the office.

Consider these changes and information prior to submitting your bid on **April 3, 2019**.

Sincerely,

  
George M. A. Macdougall P.E.
