Amendment No. 1

Dear Sir/Ms.:

The following questions have been received:

Question: Please clarify what is being done the catch basins under item 604.161

Response: 604.161 altering catch basin: This item will be used to change the grates/frames to cascade type. Per standard specification, this item also includes adjusting the new grates and frames to grade.

Question: The construction note for Item 202.2023 states that the contractor may be required to cut cores to verify depth prior to milling. How will this work be paid for?

Response: Any necessary cutting of cores to verify pavement depths will be considered incidental to the contract.

Consider these changes and information prior to submitting your bid on **April 29, 2020**.

Sincerely,

A handwritten signature in black ink, reading 'George M. A. Macdougall'.
