Dear Sir/Ms.:

Please make the following changes to the Bid Documents:

In the Bid Book:

CHANGE on page 14, NOTICE TO CONTRACTORS, the bid opening date from September 30, 2020, to read "**October 7, 2020**". Make this change in pen and ink.

The following question has been received:

Question: May the casings that are utilized for the abutment piles (Item 501.821) be installed and removed using a vibratory hammer, or do they need to be installed and removed using a drill rig/similar?

Response: The casings may be installed and removed with a vibratory hammer, provided they can be completely cleaned out with appropriate tooling.

Consider these changes and information prior to submitting your bid on **October 7, 2020**.

Sincerely,
