Amendment No. 1

Dear Sir/Ms.:

Please make the following changes to the Bid Book:

REMOVE page 31, 2020 Fair Minimum Wage Rates - Highway & Earth Androscoggin County, and **REPLACE** with the attached 2021 Fair Minimum Wage Rates - Highway & Earth Androscoggin County.

The following questions have been received:

Question: Will a detour be acceptable on this project if the contractor provides a detailed TCP?

Response: No, a detour on this project is not acceptable.

Question: It appears the staged construction and temp signals will not be needed due to the size and location of this culvert. Will they be required if the contractor feels they can complete the work with a standard flagger traffic workzone?

Response: If the Contractor feels they can accomplish the work without the use of these items, they are free to use alternative methods for traffic control, provided there is at least one lane of alternating traffic at all times and two lanes of traffic when the Contractor is not working.

Consider these changes and information prior to submitting your bid on **February 3, 2021**.

Sincerely,

A handwritten signature in blue ink that reads "George Macdougall".
